The following are some but not all of the local issues addressed by WGHR's aggressive schedule of Public Service Announcements.

1) ISSUE: Community organizations

DESCRIPTION: WGHR makes public service time available to a wide variety of organizations that serve the community including local schools and churches that provide services and outreach to the surrounding communities.

2) ISSUE: Charities benefiting children & families

DESCRIPTION: WGHR works closely with numerous service organizations to raise awareness and funds for programs to benefit children and families. WGHR's audience includes many grandparents who have found themselves with the responsibility of raising their grandchildren, due to difficulties (health, incarceration, drug dependency) experienced by their adult children.

3) ISSUE: Veteran's Services

DESCRIPTION: Returning veterans face a myriad of challenges, from PTSD to securing employment in this recovering economy. WGHR works closely with Warrior Wellness Program and other veteran support organizations to provide assistance to these veterans. In addition WGHR provided information via Public Service Announcement to inform Veterans of the services available to them.

(4) ISSUE: Support of the business community:

DESCRIPTION: WGHR is an active member of our local Chambers of Commerce. WGHR helps disseminate information on services, training and support available to local businesses, strengthening the local economies.
