**The following are some but not all of the local issues addressed by WGHR’s aggressive schedule of Public Service Announcements.**

**1) ISSUE: Community organizations**

DESCRIPTION: WGHR makes public service time available to a wide variety of organizations that serve the community including local schools and churches that provide services and outreach to the surrounding communities. As this quarter includes the fall/winter festivals and holiday fundraising, WGHR paid special attention to organizations and municipalities hosting free events, street fairs and expos.

## 2) **ISSUE: Charities benefiting children & families**

DESCRIPTION: The impact of the Nature Coast's challenging economy has dramatically affected area families. WGHR works closely with numerous service organizations to raise awareness and funds for programs to benefit these families. WGHR's audience includes many grandparents who have found themselves with the responsibility of raising their grandchildren, due to difficulties (health, incarceration, drug dependency) experienced by their adult children. WGHR was extremely involved in the support of charities that concentrate on providing food, toys and clothing for area families during the holidays.

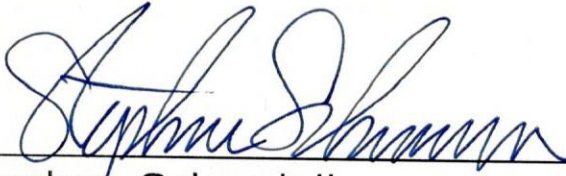

## 3) **ISSUE: Veteran's Services**

DESCRIPTION: Returning veterans face a myriad of challenges, from PTSD to securing employment in this recovering economy. WGHR works closely with Stand Down Pasco, Veteran's Alternative Center and other veteran support organizations to provide assistance to these veterans. In addition WGHR provided information via Public Service Announcement to inform Veterans of the services available to them.

## (4) **ISSUE: Support of local business support groups**

DESCRIPTION: WGHR is an active member of 5 local Chambers of Commerce. WGHR help disseminate Information on services, training and support available to Local business, strengthening the local economies.
