1. Education

Calvary Radio believes that a good biblical education is the foundation for spiritual success. Education is important because the more knowledgeable we are in the word of God the better equipped we are to stand firm in the confidence of his truth. We also believe that, in addition to studying God's word, it is important that our children are getting a good education in schools and that our undergraduate and graduate students are being taught unbiased truth in their learning institutions. So we encourage people to stand up for truth and fight for good teachers in educational systems.

2. The Economy, Employment & Personal Finance

Due to the current economic recession, families in northwest Indiana are experiencing a higher difficulty in being able to acquire a mortgage, find employment and afford health care. We at Calvary Radio try to provide programming that encourages our listeners to make wise financial decisions through good financial stewardship during these uncertain times and to put their trust in God knowing that he provides for our needs.

3. Family & Marriage

Calvary Radio provides programming for all types of people from all types of families understanding that no family situation is perfect. We desire to provide programming that addresses all types of issues for struggling families. But our solution to these issues is found in Biblical principles and spiritual wisdom not just in psychologists and self-help books. We strongly promote a family first structure of living with a high value put on Biblical marriage.

4. Children & Youth

Seeing as how children are our future, Calvary Radio broadcasts various programs geared specifically to certain age groups in the hopes that kids will be challenged to grow in their spiritual lives and become good citizens as they grow older and mature in their faith and relationships with people. We provide Children's programming on Saturday Mornings and Youth programming on Monday evenings and weekends. Hoping to encourage youth to take their faith seriously and not succumb to peer pressure that may advise them to do otherwise.

5. Spiritual Growth & Practical Christian Living

Spiritual growth is one of Calvary Radio's main goals. We try and encourage spiritual growth in our listeners by broadcasting programming with sound Biblical teachers and challenging messages as well as praise and worship music to keep listeners encouraged and edified throughout their week. We strongly urge our listeners to seek to grow in their faith and not be content with a inactive relationship with God.

6. Religious Freedom, Oppression and Terrorism

The signal of WHLP and its translators covers the Chicagoland area, where terrorism is a bigger threat than elsewhere in the US so we at Calvary Radio are doing our best to educate people on the safety level of our area while reminding our listeners that God is our only source for true safety. And while religious and constitutional freedoms are often an issue in schools and are part of America's constant struggle with taking God out of the schools. Calvary Radio brings programming that addresses the true heart issues of fear and security.

7. Public Health

With health care costs on the rise and insurance prices increasing, families in the area often have to live without insurance and the uncertainty of what will happen to them if health problems occur. So we air programming that deals with ways to acquire health insurance and how to maintain good health if health care is unavailable to you. Centering on the fact that our bodies are God's temple and we should do our best to take care of them but understanding that they're also temporary and God has a more perfect plan for us waiting in Heaven someday.

8. Public Safety

Whether our listeners have to deal with icy roads, blazing fires or windy weather, we want them to be well equipped for anything that could come their way. So we provide programming to deal with some of the safety issues in hopes that it may just save a life one day. That's why it's important to us that listeners be aware of safety hazards within their homes, cars and workplaces.

Calvary Radio is committed to truth in radio and, in keeping with that commitment, our programming consists mostly of sound biblical teaching programs with a primary focus on the truth of God's word and its instruction to us.

Along with those teachers we also broadcast Jay Sekulow Live, a daily radio outreach program of the American Center for Law and Justice. Hosted by ACLJ Chief Counsel Jay Sekulow, this live call-in program focuses on the legal and legislative battles underway across America.

The following programs, however, we receive no financial reimbursement for broadcasting and are strictly for the purpose of inciting community interaction, encouraging education and discussing issues that relate to the city and county

4/3/22 **America's Most Radical President** 1774

How did America go from being independent to being in debt over \$30 trillion dollars, invaded by over 2 million illegals, and led by an incompetent President? Is the current leadership in Washington just weak and confused or radical and Marxist? **Victor Hanson Davis**, author of *The Dying Citizen – How Progressive Elites and Globalism are Destroying the Idea of America*, tells how President Trump made America oil independent, reduced the price of oil that crushed Russia's economy and halted their invasion aspirations. Biden's radical policies of open borders and appeasement will give the Republicans an upcoming victory.

4/10/22 **Wonder Dogs** 1775

God created dogs not just for fun and companionship but to serve and save disabled people. **Maureen Maurer**, author of *Wonder Dogs-True Stories of Extraordinary Assistance Dogs*, tells of the amazing dog named *Freedom* who saved the life of Melanie who was trapped under her heavy wheel chair as her house was burning! Freedom not only got the phone but stayed with her even if she was burned to death. The heartwarming stories about dogs selflessly serving disabled people by turning on lights, opening doors, even helping grocery shopping are amazing. God gifted us with dogs to rescue, assist and comfort us.

4/17/22 **The Reality of the Resurrection** 1776

Most people have no idea of the infinitely high price God paid for their salvation! **Pastor Robert Nash**, author of *Last Words -7 Sayings From the Heart of Christ on the Cross*, says while Jesus was gasping for every breath, he spoke words filled with hope and compassion. **William Frey**, author of *The Dance of Hope*, tells how the Resurrection changed life on earth. Death lost its power over us. The disciples became fearless and transformed the world. Professional actor, **Bruce Marchiano**, dramatically tells how the lifeless body of Jesus, dead for three days, came vibrantly back to life and showed us the new kind of body we will have.

4/24/22 **The Beginning of the End** 1777 When *nuclear* Russia and the Muslim nations come against Israel, we are near the end of this age! The super sign of end times is Israel being restored and threatened by a nation from the north. **Jimmy Evans**, author of *Where Are The Missing People? The Sudden Disappearance of Millions and What Happens Next*, says Russian president Vladimir Putin could be "Gog" in Ezekiel 38. Russia is motivated to invade Israel for their wealth and their recently discovered natural gas. Muslim nations aligned with Russia must invade Israel for their Imam to appear. When Gog attacks Israel, God will destroy his army with burning sulfur.

5/1/22 **E.M.P.-A Real Threat** 1778 What happens *when* the electrical grid is shut down? Former CIA Director, **James Woolsey**, says we are very vulnerable to an enemy EMP attack. **Mike Maloof**, author of *A Nation Forsaken-EMP: The Escalating Threat of An American Catastrophe*, spent 30 years with the Defense Department protecting us from terrorism, and now warns that it's not "if" but "when" an EMP will be exploded over this country. The results will be catastrophic. It's preventable, but our government is ignoring it, so we need to be prepared. A huge solar flare, an EMP, or Radio Frequency weapons are a real threat. What can we do to be prepared?

5/8/22 **Crisis in Education** 1779 Spiritual forces are turning this free and democratic nation into a socialist even a communist state, and it's being done through the schools. The spiritual war for our future is over schoolchildren. **Alex Newman**, author of a series of articles in *The New American: Rescuing Our Children*, says there is a deliberate dumbing down of children by using a reading method that's a proven failure producing functional illiterates. Public schools are breaking down the morals of children by confusing them about the gender identity, and bringing drag queens into the classroom under the guise of "career literacy!"

5/15/22 **Gender Confusion pt 1** 1780

The new Supreme Court justice can't define the word "woman" yet will determine Supreme Court cases. **Dennis Prager** says the confirmation of Judge Jackson will be the decline of our civilization. Judge **Ketanji Jackson** could not answer when life begins, meaning she has the same ideology as those who legalized child killing in 1973. **Michael Gurian**, author of *Raising Boys By Design*, says boys learn differently than girls and need to be taught differently. **Gov. Ron DeSantis** signed legislation to protect grade school kids from being sexualized. Other guests: **Lt Gov. Mark Robinson**, **Pastor Jack Hibbs** of *Calvary Chino*.

5/22/22 **Moral Confusion pt 2** 1781

A new sex ed. curriculum re-defines abstinence to promote perversion as normal. **Mat Staver**, of *Liberty Council* says, "Many schools are leading children in to harmful and sometimes deadly sexual experimentation using graphic magazines and videos. The "Advocates for Youth" curriculum promotes abortion over child birth and trains students to be advocates for abortion and homosexuality. Teachers coerce students into participating in the *Day of Silence* and become activists to support GLSEN and Planned Parenthood." Children would prefer to have their modesty and decency respected than to be embarrassed in class.

5/29/22 **Valiant Vets** 1782 Although some veterans have gone to help secure Ukraine's border, our commander-in-chief has opened up our borders to illegals! **Mark Levin**, author of *American Marxism* says, "The greatest crisis of our time is Biden's violation of our immigration laws to change the populace of America. **John Steer**, author of *Wounded Soldier*, gives fascinating accounts of his experiences in Viet Nam. **Gary Horton**, a former Army Ranger, who fought for our freedoms, is not given the freedom to speak about his Christian faith in public schools. Schools have re-written our history, banned the flag, and banned the motto and the pledge.

6/5/22 **True or False Conversions?** 1783

What does it mean to be a true follower of Jesus Christ? What's a false convert? How can you tell if a child is truly saved? Cuts from the movie *The Atheist Delusion*. Almost 9 out of 10 (88%) of church children lose their faith before high school graduation. What can a parent do to be sure their children keep their faith? **Ray Comfort**, evangelist and author of *How To Bring Your Child To Christ and Keep Them There*, says, don't give your children a false image of God. Give them a true understanding and view of the God of the Bible not "Santa Claus!" Parents should teach their children the fear of the Lord to resist their temptations.

6/12/22 **The End of Roe v Wade pt 1** 1784

All the states that banned abortion before *Roe v Wade* had their laws overturned in 1973 in *Roe v Wade*. A woman's choice ends when she becomes a mother. Law professor, **Al Parker**, President of the *Justice Foundation*, filed two Amicus Curiae Briefs with the Supreme Court to overturn *Roe*, presented his case with a picture of a woman in her 20s, who had been an *in vitro* fertilized egg of just 3 cells in a petri dish that had been frozen for several years before born. This is proof that life begins at conception and is not a *blob of tissue* as believed in 1973 when *Roe* was decided. Abortion isn't undoing a pregnancy, its killing a child.

6/19/22 **The End of Roe v Wade pt 2** 1785 College students have had abortion legal as birth control but are now confronted with abortion being murder. Most young people have never heard why abortion should be illegal. **Ben Shapiro** is challenged by students who don't believe a "fetus" is a baby, that abortion should be allowed for rape and incest, and who compare gun violence to abortion. **Pastor Jeff Durban** gives compelling reasons to the Colorado legislature for the *Equal Protection* of unborn children. Pastor **Jack Hibbs** gives a passionate speech repudiating the diabolic Cal. bill to legalize infanticide up to 28 days *after birth*. Silence is complicity.

6/25/22 Standing Up for Liberty pt 1. 1786

Our precious freedoms are not based on government but on God. Freedom isn't appreciated until it's lost. **Todd Starnes**, a Fox News commentator and author of *Culture Jihad-How to Stop the Left From Killing a Nation*, says, "What's happening in our country is the result of what has happened in schools being run by radicals. Without Biblical values, we are left with chaos." **Os Guinness**, author of *Last Call for Liberty- How America's Genius Has Become Its Greatest Threat!* said, "Freedom comes from self- government, not external force. As our freedoms end, it's a catastrophe, not just for America, but also for the whole world.
