1. Education

Calvary Radio believes that a good biblical education is the foundation for spiritual success. Education is important because the more knowledgeable we are in the word of God the better equipped we are to stand firm in the confidence of his truth. We also believe that, in addition to studying God's word, it is important that our children are getting a good education in schools and that our undergraduate and graduate students are being taught unbiased truth in their learning institutions. So we encourage people to stand up for truth and fight for good teachers in educational systems.

2. The Economy, Employment & Personal Finance

Due to the current economic recession, families in northwest Indiana are experiencing a higher difficulty in being able to acquire a mortgage, find employment and afford health care. We at Calvary Radio try to provide programming that encourages our listeners to make wise financial decisions through good financial stewardship during these uncertain times and to put their trust in God knowing that he provides for our needs.

3. Family & Marriage

Calvary Radio provides programming for all types of people from all types of families understanding that no family situation is perfect. We desire to provide programming that addresses all types of issues for struggling families. But our solution to these issues is found in Biblical principles and spiritual wisdom not just in psychologists and self-help books. We strongly promote a family first structure of living with a high value put on Biblical marriage.

4. Children & Youth

Seeing as how children are our future, Calvary Radio broadcasts various programs geared specifically to certain age groups in the hopes that kids will be challenged to grow in their spiritual lives and become good citizens as they grow older and mature in their faith and relationships with people. We provide Children's programming on Saturday Mornings and Youth programming on Monday evenings and weekends. Hoping to encourage youth to take their faith seriously and not succumb to peer pressure that may advise them to do otherwise.

5. Spiritual Growth & Practical Christian Living

Spiritual growth is one of Calvary Radio's main goals. We try and encourage spiritual growth in our listeners by broadcasting programming with sound Biblical teachers and challenging messages as well as praise and worship music to keep listeners encouraged and edified throughout their week. We strongly urge our listeners to seek to grow in their faith and not be content with a inactive relationship with God.

6. Religious Freedom, Oppression and Terrorism

The signal of WHLP and its translators covers the Chicagoland area, where terrorism is a bigger threat than elsewhere in the US so we at Calvary Radio are doing our best to educate people on the safety level of our area while reminding our listeners that God is our only source for true safety. And while religious and constitutional freedoms are often an issue in schools and are part of America's constant struggle with taking God out of the schools. Calvary Radio brings programming that addresses the true heart issues of fear and security.

7. Public Health

With health care costs on the rise and insurance prices increasing, families in the area often have to live without insurance and the uncertainty of what will happen to them if health problems occur. So we air programming that deals with ways to acquire health insurance and how to maintain good health if health care is unavailable to you. Centering on the fact that our bodies are God's temple and we should do our best to take care of them but understanding that they're also temporary and God has a more perfect plan for us waiting in Heaven someday.

8. Public Safety

Whether our listeners have to deal with icy roads, blazing fires or windy weather, we want them to be well equipped for anything that could come their way. So we provide programming to deal with some of the safety issues in hopes that it may just save a life one day. That's why it's important to us that listeners be aware of safety hazards within their homes, cars and workplaces.

Calvary Radio is committed to truth in radio and, in keeping with that commitment, our programming consists mostly of sound biblical teaching programs with a primary focus on the truth of God's word and its instruction to us.

Along with those teachers we also broadcast Jay Sekulow Live, a daily radio outreach program of the American Center for Law and Justice. Hosted by ACLJ Chief Counsel Jay Sekulow, this live call-in program focuses on the legal and legislative battles underway across America.

The following programs, however, we receive no financial reimbursement for broadcasting and are strictly for the purpose of inciting community interaction, encouraging education and discussing issues that relate to the city and county

7/2/23 **Losing Our Liberty. Part 2** 1839

Our precious freedoms are not based on government but on God. Freedom isn't appreciated until it's lost. **Todd Starnes**, a Fox News commentator and author of *Culture Jihad-How to Stop the Left From Killing a Nation*, says, "What's happening in our country is the result of what has happened in schools being run by radicals. Without Biblical values, we are left with chaos." **Os Guinness**, author of *Last Call for Liberty- How America's Genius Has Become Its Greatest Threat!*, said, "Freedom comes from self- government, not external force. As our freedoms end, it's a catastrophe, not just for America, but for the whole world!"

7/9/23 **The Coming of the Great Tribulation** 1840 There is coming a Great Tribulation unlike anything ever seen on planet earth before where billions of people will die. Scripture describes a time of God pouring out His wrath on a rebellious, God hating world after the rapture of His followers. Israeli prophesy expert, **Amir Tsarfati**, author of *Has The Tribulation Begun?*, vividly describes the Revelation with a world- wide earthquake, plagues, death and devastation which is the result of most people rejecting Christ and choosing to worship the Anti-Christ. Yes, there will be some people saved from hell during the Great Tribulation because of warnings given today.

7/16/23 **Life Without Limits** 1841 How could God have a purpose for a person born without arms, hands or legs? **Nick Vujicic** is a best selling author, evangelist and international speaker who has spoken to *hundreds of millions* of people. Nick Vujicic wrote, "If you can't get a miracle, be a miracle." His disability has given him a unique opportunity to transform lives. He has witnessed miracles like praying for the founder of a human trafficking industry in India. She was healed and became a Christian. If he can have purpose and joy without arms or legs, then anyone can. Cuts of Nick speaking at a state prison in Alabama

7/23/23 **Artificial Intelligence** 1842 Artificial intelligence is setting the stage for the advent of the Anti-Christ who will use AI to fake omniscience. Prophecy expert **Jimmy Evans**, author of *The Tipping Point*, says AI is the most significant invention to change the world since electricity. AI speaks every language thus erasing God's curse dividing language at Babel. Trans-human soldiers have super-human powers. As prophesied in Rev 11, today is the first time in history that the whole world would see the two witnesses at the same time. **Pastor Billy Crone** says AI is essential for the Anti-Christ to micro manage the world's economy and know who has the mark.

7/30/23 **Does Critical Race Theory Create Racism?** 1843 Critical race theory is Marxism in disguise using race instead of class. Parent **Tatiana Ibrahim** blasted her school board for teaching racism and undermining faith in God! Professor **Carol Swain** says university Marxists created this fantasy of systemic racism to divide the country. Sen. **Ted Cruz** says CRT is Marxist based. The teachers union, the NEA, is promoting CRT. **Candace Owens** says classrooms have become predatory to children. **Chris Rufo** says critical race theory is the world-view of public schools. The answer for unity, says former pro football star **Jack Brewer**, is teach love for one another as Christ taught.

8/6/23 **Communicating with a Lost Generation, p 1** 1844 America has the largest number of Christian colleges, churches, Christian media and resources in the world. Yet with all these resources, why is America becoming less Christian? Christians pray for revival but put 90% of Christian kids in schools of atheism. **Ken Ham**, founder of *Answers in Genesis* and the *Ark Encounter*, and the author of *The Answers books*, says older generations had an Acts 2 basic understanding of Christianity. But the younger generations are like the Greeks in Acts 17 who had no understanding of God, sin or the Bible. We need revival, but how can God bring revival without reformation?

8/13/23 **Communicating with a Lost Generation, p 2** 1845 Americans are more divided than ever as younger generation seem like a different culture. How can we communicate the gospel to those without any basic Biblical understanding? **Ken Ham**, founder of *Answers in Genesis* and the *Ark Encounter* and the author of *The Answers books*, says younger generations understand the universe to be billions of years old. Thus, to them, there was death before Adam sinned, and God is to blame for sin, sickness and death, not sin! The earth, prior to sin, was a perfect paradise God called very good. People and animals were vegetarians. There was no death until Adam sinned.

8/20/23 **Be Not Conformed to the World, p 1**

Radio hosts **Kevin Swanson** and **Adam McManus** say putting a Christian in public school is like playing Russian roulette with their education, their beliefs and their souls. But instead of one bullet, there are 4 or 5 bullets in the gun. Public schools rob children of their innocence and confuse them with critical race theory. **Dennis Prager** said, "The one thing people can do to fight against the Leftist destruction of our nation is to take their children out of public schools." **Carole Joy Seid**, said, "The most effective tool in shaping a child's character is great literature." *The right book at the right time can change a child's*

8/27/23 **Be Not Conformed to the World, pt 2** 1847 "Schools make kids dumber," says 17 year-old **Eddie Zhong**, who started his own successful computer business. "Schools can stunt *creative* thinking." Education for the masses is not as good as one-on-one. **Israel Wayne**, author of *Homeschooling From A Biblical Worldview*, says public schools don't train young minds to *think critically* to debate both sides of issues, but homeschool does. What is a good education without Christ in every subject? Secular schools make secular students. Education is Biblical discipleship. **Dr Raymond Moore**, the father of homeschooling, says producing genius in children has three common elements.

9/3/23 **Brain Chips & the 4th Reich, pt 1** 1848

The ideas that deceived the German people in Hitler's day are being implemented to deceive the world today. **Billy Crone**, author of *Klaus Schwab, The World Economic Forum and the Coming Mark of the Beast*, says Schwab is building the infrastructure for the anti-Christ to require everyone to have his mark to buy anything. **Elon Musk** says microchips in human brains will help paraplegics. Brain implants will be required by the anti-Christ to know if people are really worshipping him. Cut of **Klaus Schwab** praising Biden for being his best disciple. The Great Reset means the destruction of our economy in order to remake it!

9/10/23 **Brain Chips & Digital Currency, pt 2** 1849 Human brains implanted with microchips that connect a person to the Internet is becoming a reality. But if your brain is part of the World Wide Web, will you lose your mind? Proponents of a brain chip connected to the net say you could learn a college education without going to college. Pastor **Billy Crone**, author of *Klaus Schwab, The World Economic Forum and the Coming Mark of the*

Beast, says according to Rev. 13, the world's economy will be controlled by one man. China is the model for the world with government control over every aspect of life. Digital currency means you could lose your bank account for protesting.

9/17/23 Invasion of Ancient gods, pt 1 1850

Just as the gospel transformed pagan cultures, so the pagan gods are transforming our culture. Are pagan gods really demonic spirits? Ancient Israel was destroyed, because they turned away from worshipping the true and living God to worshipping false gods like Baal. **Jonathan Cahn**, best selling author of *The Return of the Gods*, says, behind abortion and the crazy events we see today are the gods of ancient cultures that were cast out by the gospel but have come back with a vengeance into our culture. Child sacrifice was practiced to appease pagan gods by the thousands, but we've sacrificed millions in abortion.

9/24/23 Invasion of Ancient gods, pt 2 1851 Although we don't see Americans worshipping idols or pagan gods of wood and stone, we're too civilized and scientific for that. Behind the ancient gods are actual demonic spirits that are disguised and infiltrating our schools, media and government. **Jonathan Cahn**, best selling author of *The Return of the Gods*, says, spirits cast out of pagan cultures have come to America. Baal, the god of apostasy, is turning a Christian nation into a pagan nation through the public schools. Ishtar, the goddess of sexuality, blurs reality by feminizing boys and masculinizing girls. The goal of the gods is to destroy America as it did Israel.
