1. Education

Calvary Radio believes that a good biblical education is the foundation for spiritual success. Education is important because the more knowledgeable we are in the word of God the better equipped we are to stand firm in the confidence of his truth. We also believe that, in addition to studying God's word, it is important that our children are getting a good education in schools and that our undergraduate and graduate students are being taught unbiased truth in their learning institutions. So we encourage people to stand up for truth and fight for good teachers in educational systems.

2. The Economy, Employment & Personal Finance

Due to the current economic recession, families in northwest Indiana are experiencing a higher difficulty in being able to acquire a mortgage, find employment and afford health care. We at Calvary Radio try to provide programming that encourages our listeners to make wise financial decisions through good financial stewardship during these uncertain times and to put their trust in God knowing that he provides for our needs.

3. Family & Marriage

Calvary Radio provides programming for all types of people from all types of families understanding that no family situation is perfect. We desire to provide programming that addresses all types of issues for struggling families. But our solution to these issues is found in Biblical principles and spiritual wisdom not just in psychologists and self-help books. We strongly promote a family first structure of living with a high value put on Biblical marriage.

4. Children & Youth

Seeing as how children are our future, Calvary Radio broadcasts various programs geared specifically to certain age groups in the hopes that kids will be challenged to grow in their spiritual lives and become good citizens as they grow older and mature in their faith and relationships with people. We provide Children's programming on Saturday Mornings and Youth programming on Monday evenings and weekends. Hoping to encourage youth to take their faith seriously and not succumb to peer pressure that may advise them to do otherwise.

5. Spiritual Growth & Practical Christian Living

Spiritual growth is one of Calvary Radio's main goals. We try and encourage spiritual growth in our listeners by broadcasting programming with sound Biblical teachers and challenging messages as well as praise and worship music to keep listeners encouraged and edified throughout their week. We strongly urge our listeners to seek to grow in their faith and not be content with a inactive relationship with God.

6. Religious Freedom, Oppression and Terrorism

The signal of WHLP and its translators covers the Chicagoland area, where terrorism is a bigger threat than elsewhere in the US so we at Calvary Radio are doing our best to educate people on the safety level of our area while reminding our listeners that God is our only source for true safety. And while religious and constitutional freedoms are often an issue in schools and are part of America's constant struggle with taking God out of the schools. Calvary Radio brings programming that addresses the true heart issues of fear and security.

7. Public Health

With health care costs on the rise and insurance prices increasing, families in the area often have to live without insurance and the uncertainty of what will happen to them if health problems occur. So we air programming that deals with ways to acquire health insurance and how to maintain good health if health care is unavailable to you. Centering on the fact

that our bodies are God's temple and we should do our best to take care of them but understanding that they're also temporary and God has a more perfect plan for us waiting in Heaven someday.

8. Public Safety

Whether our listeners have to deal with icy roads, blazing fires or windy weather, we want them to be well equipped for anything that could come their way. So we provide programming to deal with some of the safety issues in hopes that it may just save a life one day. That's why it's important to us that listeners be aware of safety hazards within their homes, cars and workplaces.

Calvary Radio is committed to truth in radio and, in keeping with that commitment, our programming consists mostly of sound biblical teaching programs with a primary focus on the truth of God's word and its instruction to us.

Along with those teachers we also broadcast Jay Sekulow Live, a daily radio outreach program of the American Center for Law and Justice. Hosted by ACLJ Chief Counsel Jay Sekulow, this live call-in program focuses on the legal and legislative battles underway across America.

The following programs, however, we receive no financial reimbursement for broadcasting and are strictly for the purpose of inciting community interaction, encouraging education and discussing issues that relate to the city and county

7/4/21 Israel Under Attack 1735 Israel has come under massive rocket fire from Hamas in Gaza, which was given by Israel in exchange for peace years ago. Why do Muslims kill Jews? Biden will reverse Trump's ban, and fund millions to Palestine, much of it will be used for weapons against Israel. David Rubin, author of *Confronting Radicals –What America Can Learn From Israel*, was with his 3 year-old when Muslim terrorists shot them. Rubin says, "The illusion of a indigenous people called Palestinians is a hoax. The Romans wanted to eliminate Israel so they changed its name to Palestine." Tiny Israel is the focus of the world and God.

7/11/21 God's Hostage pt 1 1736

After pastoring in Turkey for 23 years, Andrew Brunson, author of *God's Hostage – A True Story of Persecution, Imprisonment and Perseverance*, was imprisoned for two years in a filthy prison surrounded by Muslim criminals and terrorists. He felt abandoned by God and surrounded by evil powers in Satan's territory. He went beyond panic and thought he was losing his mind and his faith. Why was God silent? He was like Job turned over to Satan to be tested. But he resolved to declare his love for Christ and submit, without God answering his questions. He learned to love and follow Jesus no matter what happened.

7/18/21 God's Hostage pt 2 1737 Andrew Brunson, author of *God's Hostage – A True Story of Persecution, Imprisonment and Perseverance*, was sentenced to 35 years in a filthy crowded prison where he felt abandoned by God. He thought he would lose his mind and his faith. But his wife Noreen contacted President Trump to negotiate with the president of Turkey for his release. Brunson wondered why his loving heavenly Father would abandon him, but God used his imprisonment to start a world wide prayer movement for his release and the salvation of Muslims in Turkey. There's a depth of intimacy that only comes through severe testing by God.

7/25/21 Impending Economic Collapse 1738

Will our national debt be the downfall of the greatest Republic the world has ever known? In the history of mankind, socialism and communism have not only failed to help the poor, they have *slaughtered and starved them*. Despite the \$6.4 trillion squandered in the past 12 months, congresswoman AOC wants \$10 trillion more. What did that \$6.4 trillion accomplish? Don Boys, author and educator, wrote the article, *Total Collapse of Economy Will Result in Anarchy*, says when the shelves at the market are empty, chaos and anarchy result that end in tyranny. Also cuts of Senator Ted Cruz and legislator Blaise Ingolia.

8/1/21 People Before the Flood 1739

The idea that ancient men were primitive brutes, cave men, is a myth based on evolution that contradicts the Biblical account. Ancient people had extreme intelligence, plus lived hundreds of years, and thus invented amazing things. Don Landis, editor of *The Genius of Ancient Man-Evolution's Nightmare*, gives examples such as the thousands of pyramids around the world that used massive 100-ton stones fitted together so precisely you couldn't slide a credit card in the joints. In the religious tower of Babel, man rebelled against God and tried to be God. The religion of Babel is still here today.

8/8/21 Critical Race Theory pt 1 1740 America has long been a target for a Marxist revolution-using race instead of the workers. Critical race theory has angered parents to protest at their school boards. Parent Tatiana Ibrahim blasted her school board for teaching racism. Ben Shapiro says the Marxist revolution didn't work here because the working class wanted upward mobility to improve their country rather than overthrow it. Professor Carol Swain defines CRT and says university Marxists created this fantasy of systemic racism to divide blacks and white. Chris Rufo, Manhattan Inst., debunks critical race theory. Also Sen. Ted Cruz.

8/15/21 Critical Race Theory pt 2 1741 Critical race theory is Marxism disguised to replace our Constitution with communism. The NEA has allocated millions of dollars to defend critical race theory from opposition. James Freeman, with the *Wall Street Journal*, says the *1619 Project*, says that preserving slavery was the basis of our founding. Chris Rufo, Manhattan Inst., says critical race theory is imbedded in our government; schools and businesses that takes us back to segregation of races. That whites are guilty of racism and need to be overthrown. It's a violation of our system of justice. Jack Brewer overcame racial prejudice through the love of Christ.

8/22/21 Exodus From Public Schools pt 1 1742 The Exodus from public schools has begun. Critical race theory was a wake-up call to parents. Ray Moore President of *Exodus Mandate* says every church should be a school. The Biblical mandate is for the parents to educate their children. Educator Dr Robert Simonds says the NEA promotes homosexuality and Islam. With 10 churches for every school district, churches should unite to rescue their children from losing the faith in humanist schools. Candace Owens says classrooms have become predatory to children. D. James Kennedy says schools are expert at converting children to humanism. Also Chuck Smith.

8/29/21 Exodus From Public Schools pt 2 1743

We are witnessing a spiritual war for the future of our nation using schoolchildren as pawns. Alex Newman, wrote magazine articles in *The New American: Rescuing Our Children*, says there is a deliberate dumbing down of children using a reading method that's a proven failure to produce a people ignorant of history and functionally illiterate. The founders of public education, Horace Mann and John Dewey, influenced the teacher's colleges so they would unwittingly follow a pattern used in communist countries, to transform America to socialism and communism. Their socialism is working to transform our nation

9/5/21 Godly Wisdom for Education, pt 1 1744 Dennis Prager, said, "The one thing people can do to fight against the Leftist destruction of our nation is to take their children out of public schools." Radio hosts Kevin Swanson and Adam McManus say putting a Christian in public school is like playing Russian roulette with their education, their beliefs and their souls. But instead of one bullet, there are 4 or 5 bullets in the gun. Public schools rob children of their innocence and confuse them with critical race theory. Carole Joy Seid, said, "The most effective tool in shaping a child's character is great literature." *The right book at the right time can change a child's destiny.*

9/12/21 Godly Wisdom for Education, pt 2 1745 "Schools make kids dumber," says 17 year-old Eddie Zhong, who started his own successful computer business. "Schools can stunt *creative* thinking." Education for the masses is not as good as one-on-one. Israel Wayne, author of *Homeschooling From A Biblical Worldview*, says public schools don't train young minds to *think critically* to debate both sides of issues, but homeschool does. What is a good education without Christ in every subject? Secular schools make secular students. Education is Biblical discipleship. Dr Raymond Moore, the father of homeschooling, says producing genius in children has three common elements.

9/19/21 Vouchers Mean Choice 1746 Instead of humanist public schools converting Christian kids to humanism, how about Christian schools taking vouchers and converting secular students to Christ? Milton Friedman, the greatest economist of the 20th century, says, "Choice doesn't take money from public schools but gives the money to parents to use at any school of their choice. Choice improves education by competition." Myron Lieberman says, "Christian schools do a better job for half the cost of public schools." Robert Enlow and Leslie Hiner, say, "Improving education is no longer theoretical but a proven fact through years of choice."

9/26/21 Life Without Limbs 1747 How could God have a purpose for a person born without arms, hands or legs? Nick Vujicic is a best selling author, evangelist and international speaker who has spoken to *hundreds of millions* of people. Nick Vujicic wrote, "If you can't get a miracle, be a miracle." His disability has given him a unique opportunity to transform lives. He has witnessed miracles like praying for the founder of a human trafficking industry in India as she became healed and a Christian. If he can have purpose and joy without arms or legs, then anyone can. Cuts of Nick speaking at a Christian school and at a state prison in Alabama
