1. Education

Calvary Radio believes that a good biblical education is the foundation for spiritual success. Education is important because the more knowledgeable we are in the word of God the better equipped we are to stand firm in the confidence of his truth. We also believe that, in addition to studying God's word, it is important that our children are getting a good education in schools and that our undergraduate and graduate students are being taught unbiased truth in their learning institutions. So we encourage people to stand up for truth and fight for good teachers in educational systems.

2. The Economy, Employment & Personal Finance

Due to the current economic recession, families in northwest Indiana are experiencing a higher difficulty in being able to acquire a mortgage, find employment and afford health care. We at Calvary Radio try to provide programming that encourages our listeners to make wise financial decisions through good financial stewardship during these uncertain times and to put their trust in God knowing that he provides for our needs.

3. Family & Marriage

Calvary Radio provides programming for all types of people from all types of families understanding that no family situation is perfect. We desire to provide programming that addresses all types of issues for struggling families. But our solution to these issues is found in Biblical principles and spiritual wisdom not just in psychologists and self-help books. We strongly promote a family first structure of living with a high value put on Biblical marriage.

4. Children & Youth

Seeing as how children are our future, Calvary Radio broadcasts various programs geared specifically to certain age groups in the hopes that kids will be challenged to grow in their spiritual lives and become good citizens as they grow older and mature in their faith and relationships with people. We provide Children's programming on Saturday Mornings and Youth programming on Monday evenings and weekends. Hoping to encourage youth to take their faith seriously and not succumb to peer pressure that may advise them to do otherwise.

5. Spiritual Growth & Practical Christian Living

Spiritual growth is one of Calvary Radio's main goals. We try and encourage spiritual growth in our listeners by broadcasting programming with sound Biblical teachers and challenging messages as well as praise and worship music to keep listeners encouraged and edified throughout their week. We strongly urge our listeners to seek to grow in their faith and not be content with a inactive relationship with God.

6. Religious Freedom, Oppression and Terrorism

The signal of WHLP and its translators covers the Chicagoland area, where terrorism is a bigger threat than elsewhere in the US so we at Calvary Radio are doing our best to educate people on the safety level of our area while reminding our listeners that God is our only source for true safety. And while religious and constitutional freedoms are often an issue in schools and are part of America's constant struggle with taking God out of the schools. Calvary Radio brings programming that addresses the true heart issues of fear and security.

7. Public Health

With health care costs on the rise and insurance prices increasing, families in the area often have to live without insurance and the uncertainty of what will happen to them if health problems occur. So we air programming that deals with ways to acquire health insurance and how to maintain good health if health care is unavailable to you. Centering on the fact that our bodies are God's temple and we should do our best to take care of them but understanding that they're also temporary and God has a more perfect plan for us waiting in Heaven someday.

8. Public Safety

Whether our listeners have to deal with icy roads, blazing fires or windy weather, we want them to be well equipped for anything that could come their way. So we provide programming to deal with some of the safety issues in hopes that it may just save a life one day. That's why it's important to us that listeners be aware of safety hazards within their homes, cars and workplaces.

Calvary Radio is committed to truth in radio and, in keeping with that commitment, our programming consists mostly of sound biblical teaching programs with a primary focus on the truth of God's word and its instruction to us.

Along with those teachers we also broadcast Jay Sekulow Live, a daily radio outreach program of the American Center for Law and Justice. Hosted by ACLJ Chief Counsel Jay Sekulow, this live call-in program focuses on the legal and legislative battles underway across America.

The following programs, however, we receive no financial reimbursement for broadcasting and are strictly for the purpose of inciting community interaction, encouraging education and discussing issues that relate to the city and county

The Following Programs for this Quarter Include

01/06/19 Last Call for Liberty #1605

America is so deeply divided, it's tearing our country apart! [Os Guinness](#), author of [Last Call for Liberty- How America's Genius Has Become It's Greatest Threat!](#) wrote, "Political debate has degenerated into barbaric incivility where our enemies are not foreign but our fellow citizens." The lack of our Founders vision for America has turned this generation against America. How can teaching the Biblical view of freedom affect this current crisis? If our freedoms end, it's a catastrophe, not just for American, but for the whole world. What are some practical ways to teach the ideas that made American freedom unique?

01/13/19 Islamic Introduction Part 1 #1606

Why is the US Department of Education promoting World Hijab Day in public schools? [Brigitte Gabriel](#), author of [Rise- In Defense of Judeo-Christian Values and Freedom](#), says, "If parents knew what was happening in their child's school they'd be shocked at the anti-American pro-Islamic propaganda. Students are taught Islam is tolerant - Christianity is oppressive. Schools take students on field trips to Mosques. Have them memorize the *Five Pillars of Islam* and recite the Shahada- prayer of conversion." No wonder this generation has turned away from Christianity and patriotism to accept a radical Left agenda.

01/20/19 Islamic Introduction Part 2 #1607

Why are public schools promoting Islam when Christianity gave us freedom and prosperity? [Martin Mawyer](#), author of [Twilight In America -The Untold Story of Islamic Terrorist Training Camps Inside America](#), describes the 3 dozen camps he has personally seen and how they plan to take over America for Allah. [Dr Bob Morey](#), an expert on Islam, and author of over 40 books, with two doctorates, says Muslims are planning a massive attack (with a nuclear device) in America to bring this nation under subjection to the barbaric Sharia Law. How can we prevent and even defeat this coming Islamic invasion?

01/27/19 Changing Minds on Abortion #1608

We have a generation that is historically illiterate. (Cuts of college students who say they've never heard of Adolph Hitler.) The minds of people are changed from pro-abortion to pro-life by watching a documentary comparing Hitler's holocaust to America's abortion holocaust of millions of babies. [Ray Comfort](#), producer of the film entitled "[180](#)", makes people think! Killing innocent children in abortion is similar to killing Jews in Nazi Germany. To say it's a woman's

choice is comparable to saying it was Hitler's choice to kill Jews. Comparisons are so convincing that people change their minds on abortion.

02/03/19 The Final Curtain #1609

How has our nation become so degenerate that people, even some *who say they're Christians*, would murder someone they don't know *for money*? (Cuts from Ray Comfort's DVD "Genius!") [Ray Comfort](#), author of [The Final Curtain- Fame Fortune and Futile Lives](#), says we have an epidemic of suicides. Suicide is the 10th leading cause of death in America! Why do wealthy, famous celebrities commit suicide? We are shocked to hear of celebrities like Robin Williams, Kate Spade, Anthony Bourdain and others killing themselves. Death is depressing. The antidote to *depression and fear is hope and faith* in Christ.

02/10/19 God's Wonderous Universe #1610

"The heavens declare the glory of God." No subject is more fascinating when God is included as astronomy that shows His magnificence. [Dr Jonathan Henry](#), Professor of *Natural Sciences* and author of [The Astronomy Book](#), gives some fascinating details of the vastness of the universe, the huge size of stars, and their composition. God's amazing designs in waves that produce salt particles that "seed clouds" for rain! How the moon shows a young earth. Is there life on other planets? God created a vast universe that's only temporary. Cut of [Louie Giglio](#) comparing the tiny size of the earth to the massive stars.

02/17/19 #1911 Bonhoeffers Braver #1611

The way to teach character is through role models and biographies. Brilliant young German theologian, Dietrich Bonhoeffer, author of [The Cost of Discipleship](#), challenged Hitler and the compromised German Church. Because Bonhoeffer lived a cross centered life he also died a martyr's death at the age of 39. Professor [Stephen Nichols](#), professor at *Lancaster Bible College* and the author of [Bonhoeffer - On the Christian Life, From The Cross, For The World](#), sees parallels between Germany in Bonhoeffer's day and our society today and what it means to be a true disciple. "Silence in the face of evil is itself evil," wrote Bonhoeffer.

02/24/19 Spiritual Warfare Against America Part 1 #1612

Why has the American liberal left aligned itself with our mortal enemies? [Jamie Glazov](#), editor of *Front Page Magazine* and author of [Jihadist Psychopath - He is Charming, Seducing and Devouring Us](#), says, "Islam and the Left have united to wage war against Christian America because they want to destroy our culture to build their paradise on the ashes. But every attempt to build a heaven on earth results in hell on earth. Islam and the Left are death cults. Look at how the Left devastated the people of the USSR, Cambodia, Cuba, etc." The Left has taken control of education, the media and much of government.

03/03/2019 Spiritual Warfare Against America Part 2 #1613

America is becoming a Muslim nation! Many Muslims were recently elected as judges who will put Sharia over the Constitution, and many were elected to school boards to put Islam into the curriculum! Why is the Left siding with our mortal enemies? The Democrat Party has become the Party of Islam! [Jamie Glazov](#), author of [Jihadist Psychopath](#), says, "Liberals know how to win this culture war, which is a spiritual war, while conservatives are unaware the war even exists. Obama ordered the feds not to link Jihad with Islam but blamed guns! Jihad denial is crucial for the Left to deceive us."

03/10/19 Incredibly and Wonderfully Made #1614

Intelligent design indicates a Designer. Nothing in science is as certain as God's revelation in nature. [Dr Richard Swenson](#), physician, physicist and best selling author of [More Than Meets The Eye - Fascinating Glimpses of God's Power and Design](#), describes the wonders of the human eye, ear, & brain (the most complex arrangement of matter in the universe), and the mysterious dimensions beyond the universe. God works in between time and has an eternity to answer everyones prayers! The physical universe may be a tiny molecule on God's throne. God displays power, precision and beauty in His universe.

03//17//19 Healthy Options #1615

Public health officials warn that this generation is at greater risk for heart disease and diabetes. Children who eat just three hot dogs a week have 9 times the risk of getting leukemia. Americans are dieting more but are more overweight than ever which increases their risk of getting cancer, heart disease and diabetes. [Dr Ted Broer](#), a nutrition expert and author of [Maximum Fat Loss](#) and [Maximum Energy](#), gives a comprehensive overview of a good diet and foods to avoid. He warns of Ritalin use for ADHD. Lifelong habits are established in youth, yet 27% of young people are too fat to fight in the military.

03//24//19 World War 2 Normandy Part 1 #1616

The most significant event of the twentieth century was World War II. Almost 1/2 a million Americans died in WWII. The bloodiest battle was in Normandy. Of all the dangers facing our nation, the greatest is the ignorance of youth who have no idea of the sacrifices made by prior generations! [Francois Gauthron](#), a battlefield expert and author of [Colors of War](#), describes the fake cities built to look like London but in the suburbs. There were fake airplanes, trucks, tanks and soldiers made to fool German bombers. The outcome of the war was decided in North Africa by stopping the oil supply line.

03/31/19 World War 2 Normandy Part 2 #1617

How do you kill 11 million people? The Nazi's lied to the people targeted for elimination! Fake news is not harmless but a serious threat to our freedoms. Cut of President Trump saying, "Fake news is an enemy of the people." Cut of Ocasio Cortez and the Democrats New Green Deal. Fake news is propaganda disguised as news. [Andy Andrews](#), author of [How Do You Kill 11 Million People? - Why The Truth Matters More Than You Think](#), says the 11 million people killed by Nazi's could have fought back but didn't. Why? Nazis like Eichmann told them they were being protected! They were lied to just as we are.
