1. Education

Calvary Radio believes that a good biblical education is the foundation for spiritual success. Education is important because the more knowledgeable we are in the word of God the better equipped we are to stand firm in the confidence of his truth. We also believe that, in addition to studying God's word, it is important that our children are getting a good education in schools and that our undergraduate and graduate students are being taught unbiased truth in their learning institutions. So we encourage people to stand up for truth and fight for good teachers in educational systems.

2. The Economy, Employment & Personal Finance

Due to the current economic recession, families in northwest Indiana are experiencing a higher difficulty in being able to acquire a mortgage, find employment and afford health care. We at Calvary Radio try to provide programming that encourages our listeners to make wise financial decisions through good financial stewardship during these uncertain times and to put their trust in God knowing that he provides for our needs.

3. Family & Marriage

Calvary Radio provides programming for all types of people from all types of families understanding that no family situation is perfect. We desire to provide programming that addresses all types of issues for struggling families. But our solution to these issues is found in Biblical principles and spiritual wisdom not just in psychologists and self-help books. We strongly promote a family first structure of living with a high value put on Biblical marriage.

4. Children & Youth

Seeing as how children are our future, Calvary Radio broadcasts various programs geared specifically to certain age groups in the hopes that kids will be challenged to grow in their spiritual lives and become good citizens as they grow older and mature in their faith and relationships with people. We provide Children's programming on Saturday Mornings and Youth programming on Monday evenings and weekends. Hoping to encourage youth to take their faith seriously and not succumb to peer pressure that may advise them to do otherwise.

5. Spiritual Growth & Practical Christian Living

Spiritual growth is one of Calvary Radio's main goals. We try and encourage spiritual growth in our listeners by broadcasting programming with sound Biblical teachers and challenging messages as well as praise and worship music to keep listeners encouraged and edified throughout their week. We strongly urge our listeners to seek to grow in their faith and not be content with a inactive relationship with God.

6. Religious Freedom, Oppression and Terrorism

The signal of WHLP and its translators covers the Chicagoland area, where terrorism is a bigger threat than elsewhere in the US so we at Calvary Radio are doing our best to educate people on the safety level of our area while reminding our listeners that God is our only source for true safety. And while religious and constitutional freedoms are often an issue in schools and are part of America's constant struggle with taking God out of the schools. Calvary Radio brings programming that addresses the true heart issues of fear and security.

7. Public Health

With health care costs on the rise and insurance prices increasing, families in the area often have to live without insurance and the uncertainty of what will happen to them if health problems occur. So we air programming that deals with ways to acquire health insurance and how to maintain good health if health care is unavailable to you. Centering on the fact that our bodies are God's temple and we should do our best to take care of them but understanding that they're also temporary and God has a more perfect plan for us waiting in Heaven someday.

8. Public Safety

Whether our listeners have to deal with icy roads, blazing fires or windy weather, we want them to be well equipped for anything that could come their way. So we provide programming to deal with some of the safety issues in hopes that it may just save a life one day. That's why it's important to us that listeners be aware of safety hazards within their homes, cars and workplaces.

Calvary Radio is committed to truth in radio and, in keeping with that commitment, our programming consists mostly of sound biblical teaching programs with a primary focus on the truth of God's word and its instruction to us.

Along with those teachers we also broadcast Jay Sekulow Live, a daily radio outreach program of the American Center for Law and Justice. Hosted by ACLJ Chief Counsel Jay Sekulow, this live call-in program focuses on the legal and legislative battles underway across America.

The following programs, however, we receive no financial reimbursement for broadcasting and are strictly for the purpose of inciting community interaction, encouraging education and discussing issues that relate to the city and county

Are you ruled by the *tyranny of the urgent*, hurrying through life and not enjoying it? Are you addicted to being busy or to your i-phone? 02/09/2020 Capitalism vs Socialism #1662

Professors have convinced many impressionable students that Marxism helps the poor more than capitalism. But socialism and communism not only haven't helped the poor but have *slaughtered* them. The USSR and China slaughtered about 100 million people in the last century. What's the difference between liberalism, socialism and communism? Jesus and the early Christians were not socialists! [Jay Richards](#), author of [Money, Greed, & God](#), dispels economic myths that lead students to become socialists. How do moral issues affect economic issues? The *biggest cause* of poverty is *single* motherhood.

02/16/2020 Was Washington a Christian? #1663

Are we ashamed of our nation's heritage? Was Washington a Christian or a deist? Did he own slaves? [Peter Lillback](#), author of [George Washington's Sacred Fire](#), gives the benefits we have because of our First President. Washington refused to make himself king but instead chose to become our first *President*. He believed the power entrusted to him was a *sacred fire of liberty*. He said, "The two indispensable pillars for any government are religion and morality." [Peter Marshall](#), author of [The Light and the Glory](#), describes how God *supernaturally* protected Washington and saved our *rag-tag* Continental army.

02/23/2020 Israel and American Jews part 1 #1664

American universities are becoming increasingly anti-Israel and anti-Semitic. Professor [Tammy Benjamin](#) reports on anti-Semitism on campus. Why is the Democrat Party aligning itself with the enemies of Israel? Half the Democrats in Congress support the anti-Israel group C.A.I.R. [David Rubin](#), author of [Trump and the Jews](#), was with his 3 year-old when Muslim terrorists shot them. David Rubin says, "The Romans wanted to eliminate Israel from the map so they changed the name of Israel to Palestine." American Jews have become so removed from their heritage, they are against basic Biblical values.

03/01/2020 Israel and American Jews part 2 #1665

The debate is about "Israeli occupation" of *Palestinian* land. But does the land belong to Palestinians or Israel? [David Rubin](#), author of [Trump and the Jews](#), says it wasn't until Israel developed their land that Arabs tried to claim it for their own. Jews who were poor immigrated to America early in the 20th century to become successful by emphasizing education and hard work. Obama prioritized Muslim immigration. Trump is prioritizing Jewish and Christian immigration. Which group will do more to benefit our nation? Why do the majority of American Jews vote Democrat when their Party is turning against Israel?

03/08/2020 The God of Hope #1666

If you say your circumstances are hopeless, you're slamming the door on *God*. Fear and discouragement are from the enemy, but faith and hope come from God. [Terry Law](#), author of [The Hope Habit, Finding God's Goodness When Life is Hard](#), says having *hope as a habit* is life changing! This is not simple optimism! Biblical hope has the power of God to *train you* to live with a hope to give you confidence in God in severe trials by freeing your mind from worry and fear that actually weakens our immune systems! Just a tiny spark of hope breaks that cycle to release endorphins that lessen pain, and promote healing and hope.

03/15/2020 Evolution's False Start #1667

Is Intelligent Design religious? Is evolution scientific, or is it a religious belief based on faith? Are millions of scientists who believe evolution wrong? Evolution has been enshrined in our educational system with laws to protect it. Scientists in the 1800's believed that life could *spontaneously* come from *non-life*. What *Darwin* believed, *Pasteur* disproved. [Dr Carl Warner](#), author of [Evolution-the Grand Experiment](#), believed in evolution until a friend asked him questions that changed his worldview. Why would birds evolve half a wing or animals that evolve half a leg evolve into intermediates that are incapable of life?

03/22/2020 Real World Socialism part 1 #1668

. What's causing the sudden rise in socialism? Cuts from a debate with socialist Bernie Sanders. A majority of college students say socialism is the best form of government. Were the early Christians socialists? [Dr Gerard Lameiro](#), political analyst, expert in forecasting and author of [Real World Socialism -Spiritual, Moral and Economic Bankruptcy Sold By Using False Hopes and Deceit](#), says socialism is a secular religion that sells false hopes for a man- made utopia without God. Socialism is atheistic where the State replaces God to determine who lives and who dies. Capitalism gives freedom to innovate, invent, excel and prosper.

03/29/2020 Real World Socialism part 2 #1669

What's the difference between socialism and communism? Will America turn left to socialism? Most young people don't know the difference between socialism and capitalism. Does socialism help the poor? Capitalism has raised more people out of poverty than any other economic system. Examples of socialist governments include the Union of Socialist Soviet Republics (USSR), National Socialist Party (Nazi Germany) and Communist China with over 100 million people starved, tortured and killed through socialism. It's really evil. America is the only nation in history with a foundation built on Biblical concepts.
