1. Education

Calvary Radio believes that a good biblical education is the foundation for spiritual success. Education is important because the more knowledgeable we are in the word of God the better equipped we are to stand firm in the confidence of his truth. We also believe that, in addition to studying God's word, it is important that our children are getting a good education in schools and that our undergraduate and graduate students are being taught unbiased truth in their learning institutions. So we encourage people to stand up for truth and fight for good teachers in educational systems.

2. The Economy, Employment & Personal Finance

Due to the current economic recession, families in northwest Indiana are experiencing a higher difficulty in being able to acquire a mortgage, find employment and afford health care. We at Calvary Radio try to provide programming that encourages our listeners to make wise financial decisions through good financial stewardship during these uncertain times and to put their trust in God knowing that he provides for our needs.

3. Family & Marriage

Calvary Radio provides programming for all types of people from all types of families understanding that no family situation is perfect. We desire to provide programming that addresses all types of issues for struggling families. But our solution to these issues is found in Biblical principles and spiritual wisdom not just in psychologists and self-help books. We strongly promote a family first structure of living with a high value put on Biblical marriage.

4. Children & Youth

Seeing as how children are our future, Calvary Radio broadcasts various programs geared specifically to certain age groups in the hopes that kids will be challenged to grow in their spiritual lives and become good citizens as they grow older and mature in their faith and relationships with people. We provide Children's programming on Saturday Mornings and Youth programming on Monday evenings and weekends. Hoping to encourage youth to take their faith seriously and not succumb to peer pressure that may advise them to do otherwise.

5. Spiritual Growth & Practical Christian Living

Spiritual growth is one of Calvary Radio's main goals. We try and encourage spiritual growth in our listeners by broadcasting programming with sound Biblical teachers and challenging messages as well as praise and worship music to keep listeners encouraged and edified throughout their week. We strongly urge our listeners to seek to grow in their faith and not be content with a inactive relationship with God.

6. Religious Freedom, Oppression and Terrorism

The signal of WHLP and its translators covers the Chicagoland area, where terrorism is a bigger threat than elsewhere in the US so we at Calvary Radio are doing our best to educate people on the safety level of our area while reminding our listeners that God is our only source for true safety. And while religious and constitutional freedoms are often an issue in schools and are part of America's constant struggle with taking God out of the schools. Calvary Radio brings programming that addresses the true heart issues of fear and security.

7. Public Health

With health care costs on the rise and insurance prices increasing, families in the area often have to live without insurance and the uncertainty of what will happen to them if health problems occur. So we air programming that deals with ways to acquire health insurance and how to maintain good health if health care is unavailable to you. Centering on the fact that our bodies are God's temple and we should do our best to take care of them but understanding that they're also temporary and God has a more perfect plan for us waiting in Heaven someday.

8. Public Safety

Whether our listeners have to deal with icy roads, blazing fires or windy weather, we want them to be well equipped for anything that could come their way. So we provide programming to deal with some of the safety issues in hopes that it may just save a life one day. That's why it's important to us that listeners be aware of safety hazards within their homes, cars and workplaces.

Calvary Radio is committed to truth in radio and, in keeping with that commitment, our programming consists mostly of sound biblical teaching programs with a primary focus on the truth of God's word and its instruction to us.

Along with those teachers we also broadcast Jay Sekulow Live, a daily radio outreach program of the American Center for Law and Justice. Hosted by ACLJ Chief Counsel Jay Sekulow, this live call-in program focuses on the legal and legislative battles underway across America.

The following programs, however, we receive no financial reimbursement for broadcasting and are strictly for the purpose of inciting community interaction, encouraging education and discussing issues that relate to the city and county

Issues in Education is broadcasted at 1:00 pm ct, 2:00 pm et Sundays .

7/3/22 Standing Up For Liberty pt 2 1787 Young people today know virtually nothing of the sacrifices made for their freedoms. To destroy a culture, destroy their history. Peter Marshall, author of *The Light and Glory* –vividly describes the horrendous starving army at Valley Forge, barefoot in the snow, and the courage Washington infused into them to fight on against impossible odds. God miraculously protected our Continental army with a heavy fog that hid them from slaughter from the British. Tom Dooley, author of *One Nation Under God-America's Lost Dream*, describes the cost of freedom in the sacrifices our forefathers paid with their lives.

7/10/22 The Diabolic Lie of Abortion, pt 1 1788 Mark Spence, VP of outreach at *Living Waters*, asked a young couple about abortion. They said they believed in treating others as they would like to be treated doesn't apply to unborn babies, since it's not a person! Dr Bernard Nathanson helped make abortion legal, and aborted 75,000 babies, says he was converted to be pro-life and Christian and made a sonogram of an abortion in "Silent Scream" demonstrating what abortion really is. Radio host Mark Davis answered a caller that "privacy" is not a constitutional justification to keep abortion legal. If we are honest, we know it is a baby and killing it is murder.

7/17/22 The Diabolic Lie of Abortion, pt 2 1789. We have a generation that is historically illiterate. (Cuts of college students who say they've never heard of Adolph Hitler.) The minds of people are changed from pro-abortion to pro-life by watching a documentary comparing Hitler's holocaust to America's abortion holocaust of millions of babies. Ray Comfort, producer of the film entitled "180", makes people think! Killing innocent children in abortion is similar to killing Jews in Nazi Germany. To say it's a woman's choice is comparable to saying it was Hitler's choice to kill Jews. Comparisons are so convincing that people change their minds on abortion.

7/24/22. Schools of Marxism. Pt 1. 1791. Pete Hegseth, author of *Battle for the American Minds – Uprooting a Century of Miseducation*, says there's a master plan using schools to transform our culture from capitalist/Christian to Marxist/atheist. Mark Levin says the basis of our school system is Marxist. Ray Moore President of *Exodus Mandate* says churches should be schools. Dr Robert Simonds says the NEA promotes homosexuality and Islam. Candace Owens says classrooms have become predatory to children. D. James Kennedy says schools are expert at converting children to humanism. Chuck Smith says secular schools contribute to social problems.

7/31/22 Schools of Marxism, pt 2 1791

We are witnessing a spiritual war for the future of our nation using schoolchildren as pawns. Alex Newman, wrote magazine articles in *The New American: Rescuing Our Children*, says there is a deliberate dumbing down of children using a reading method that's a proven failure to produce a people ignorant of history and functionally illiterate. The founders of public education, Horace Mann and John Dewey, influenced the teacher's colleges so they would unwittingly follow a pattern used in communist countries, to transform America to socialism and communism. Their socialism is working to transform our nation.

8/7/22 Freedom To Pray at School 1792

The Supreme Court has made a complete paradigm shift! Now, with three Trump appointed justices on the Court, Joe Kennedy's prayers on the football field have been upheld as Constitutionally protected. The attorney who won the case, Jeremy Dys of *First Liberty* said; "Because of this landmark case we now have more religious freedom than any time in our life time!" Kelly Shakelford of *First Liberty* noted how Justice Gorsuch lambasted the school for discriminating against the coach for exercising his First Amendment freedoms. David Barton gives a litany of prior Court's elimination of religious freedoms!

8/14/22 How to Transform Our Nation 1793 Most Christians are unaware of the spiritual assault on our nation and don't know how to counter it. David Barton of *Wallbuilders* says the church has the wrong strategy by focusing on *conversion and not discipleship*. Jesus had huge crowds but the crowds didn't change the world. It was the dozen *mentored disciples* who did. The *War for Independence* was won with local victories. To change America we need to focus on our local battles. John Quincy Adams was mentored to become one of America's greatest Founders. David compares totalitarianism to the freedom in our republican form of government.

8/21/22 Is Sex Different from Gender? 1794 Biden's Department of Ed. is forcing schools to mandate boys participate in girl's sports and use girl's locker rooms or lose Title IX funds. Dr Miriam Grossman says sex is based on chromosomes while gender has become based on subjective feelings. Prof Khiara Bridges told Sen. Josh Hawley that women who call themselves men (so-called trans-men) are capable of getting pregnant. Matt Walsh producer of *What is a Woman* gives a powerful speech to the Loudoun County S.B. that they are deceiving children by saying masculine girls are boys. Psychologist Jordan Peterson refuses to call a girl a boy and vice versa.

8/28/22 Righteousness Exalts A Nation 1795 Libby Emmon tells how schools are teaching racial prejudice by teaching students that their worth is based on skin color! When half the Christians don't vote, how are they being the salt Christ told us to be? Pastor Bishop EW Jackson, says, "In this country we choose our leaders. Socialism eliminates freedom and brings economic stagnation and oppression. God is not finished with America and wants to bring victory and revival if God's people do their part. Do we want socialism or limited government under our Constitution?" He gives a *most powerful, passionate oration* using the Bible to motivate Christians.

9/4/22 Critical Gender Theory 1796 Increasingly, the left has used public schools to change our culture by indoctrinating naïve students into believing they can be whatever gender they choose. Chris Rufo tells how teachers are taught to teach that male and female are simply "social constructs" that oppress nonconforming students. Pastor HB Charles makes it really clear what the Bible teaches. Voddie Bacham, author of *Family Driven Faith*, says he's going to war against this woke tyranny., Mike Gurian says boys and girls are hard-wired differently. Also cuts of filmmaker **Matt Walsh** saying schools need to tell the truth and stop lying to kids.

9/11/22 The Shock of 9/11 1797. How would you overcome extreme fear and panic and remain calm if you were in the World Trade Center's towering inferno on 9/11, and you were completely *blind*? Listen to a total triumph of trust in this horrific catastrophe as a blind man, Michael Hingston, describes his miraculous survival in the face of imminent death. Michael Hingston, the national ambassador for

the *Braille Literacy Campaign*, is the author of *Thunder Dog*. Although Roselle, Mike's guide dog, was intensely focused on guiding him to safety, she remained calm and even gave a firefighter a kiss on his final trip up the stairs.

9/18/22. The Heavens Declare the Glory of God! 1798. The heavens declare the glory of God, yet secular astronomers say distant starlight proves the universe is billions of years old. Ken Ham, founder of *Answers in Genesis* and author of *Creation to Babel*, says God created starlight seen on earth when He created the stars. Evolutionists fabricate drawings to fool naïve students. There are no transitional species but variation within a species. Dr Jonathan Henry, author of *The Astronomy Book*, says God created the massive stars and vastness of the universe, to show how incredibly awesome He is. Louie Giglio gives an exhilarating description of the gigantic stars compared to earth.

9/25/22 Choosing Your Child's Future 1799 What is the PURPOSE of educating a child? Just to learn academics? Don't ask what kind of education is best, ask what kind of person do you want them to become? Bob Gannage says schools omit God in creation and history. He sold encyclopedias so he could educate his kids himself. RC Sproul, Jr, a home school expert, says home schooling *is a joy* that produces children who relate well with people of all ages. Ed Gandy built a \$4 million school and hired teachers from his church to give his church kids a Christian education. Brian Schwertley, says, "The greatest commandment is to love the Lord with your MIND."
