**It is not wonder our Nation is in trouble. We have chased God out of the schools, out of the work place, out of government. And so our National leaders are making foolish decisions. Examples, open borders with no corona tests, but our medical groups have to have the corona vaccine or they will lose their job. We ask a person to show their ID when they are pulled over in a traffic stop, but we can't ask for their ID when then are voting. They want to save all kinds of endangered species, but they will kill the baby in the womb. We need to be praying for God to bring a revival to this Nation.**
