

Bullying Prevention PSA - Choose Kindness

ABC is thrilled to present our efforts around National Bullying Prevention month which is during the month of October. This year's campaign is called "Choose Kindness" and we are asking all ABC stations to communicate the message around bullying prevention, being your best self and choosing to be kind.

Our nonprofit partners are Pacer, GLSEN and GLAAD. This initiative does not have a call to action, it is more about inspiring positive actions. There are 30 and 15 second spots available both as standalone spots or taggable with your local branding or sponsor.

We kindly ask that stations adhere to the normal exclusions for children's programming for advertisers; no gaming, alcohol/beer, fire arms.

- **Run the :15 and/or :30 "Choose Kindness" PSA**
- **Support GLAAD's Spirit Day by wearing Purple on 10/16, support Pacer's Unity Day by wearing orange on 10/22**
- **Highlight any bullying prevention stories in their local news where it seems appropriate**
- **Drive viewers to www.abc.com/BeInspired for information, by linking to the website from your stations**

We are providing taggable and sponsorable versions of the :15 & :30 PSAs in the link below. We are providing 3034 x 375, 2292 x 2001 & 667 x 2500 web banners to customize with your station cologo.

Season of Service Feeding America - Do Something Good

ABC/Disney is proud to partner with Feeding America by providing a turn-key service project for your station with an on-air/online and social media campaign that helps provide nutrient-rich fruits and vegetables to kids and families during the holidays, and raises awareness of TWDC's commitment to creating healthier generations.
