2. Wolves	<p>D4K DIALOGUE FOR KIDS “WOLVES”                      Wolves play an important role in the ecology of Idaho, but their re-introduction to the state was controversial. Idaho Department of Fish and Game regional wildlife biologists, Jason Husseman and Michael Lucid, discuss this topic.</p>	<p>4/17/07                      2:00 p.m. MT/1:00 p.m. PT                      30 minutes</p>
3. Science Education	<p>D4K DIALOGUE FOR KIDS “WEATHER”                      Sunny, snowing, raining or blowing, the weather affects everything we do. Scientists study the weather to try to predict what will happen and to save lives. Scott Dorval, Chief Meteorologist, KIVI TV, Boise; and Robyn Heffernan, meteorologist, National Interagency Fire Center, discuss this topic.</p>	<p>5/15/07                      2:00 p.m. MT/1:00 p.m. PT                      30 minutes</p>
4. Higher Education	<p>DIALOGUE “TIM WHITE, U OF I PRESIDENT”                      University of Idaho President Timothy White wants Idaho’s best and brightest high school students to come to his school. The University recently announced a new scholarship program that would award top high school graduates a minimum of \$6,000 dollars over four years. President White explains his new program and updates viewers about the state of higher education in Idaho.</p> <p>DIALOGUE “ARTHUR VAILAS, ISU PRESIDENT”                      Idaho State University President Arthur Vailas celebrates his first year on the job. ISU recently announced plans to expand its teaching and research space in the Treasure Valley. Will ISU be the home of a new medical school? What challenges and opportunities face this institution and its new leader?</p>	<p>4/5/07                      8:30 p.m. MT/7:30 p.m. PT                      30 minutes</p> <p>6/7/07                      8:30 p.m. MT/7:30 p.m. PT                      30 minutes</p>

Issue	Title/Programming Description	Date/Time/Duration
5. Pet Food Safety	<p>DIALOGUE "PET FOOD SAFETY"</p> <p>Sandy Willis, DVM; Jacquie Swartz, DVM; and Marty Becker, DVM, examine the health, legal and regulatory issues arising out of the recent massive pet food recalls in the United States. The recalls, which included both dog and cat food, have pet owners concerned about their animals' health, and have prompted a U.S. Senate hearing into FDA oversight of the pet food industry.</p>	<p>4/12/07 8:30 p.m. MT/7:30 p.m. PT 30 minutes</p>
6. Invasive Weeds	<p>OUTDOOR IDAHO "WAR OF THE WEEDS"</p> <p>Idaho and the West are fighting a war that may be unwinnable. Invaders with strange sounding names -- leafy spurge, dalmatian toadflax, tansy ragwort -- are costing Americans billions of dollars each year, and the end is nowhere in sight.</p>	<p>4/5/07 8:00 p.m. MT/7:00 p.m. PT 30 minutes</p>
7. Idaho's Legislature	<p>STATE LEGISLATURE</p> <p>Documentary filmmaker Frederick Wiseman follows lawmakers during the 2004 Idaho Legislative session in the bicameral chambers, in their offices, involved in informal conversations in the hallways, capturing the elected representatives, their leaders and their staffs as they conduct the everyday business of governance.</p>	<p>6/13/07 8:00 p.m. MT/PT 3 hours 30 minutes</p>
8. Socially Responsible Investing	<p>DIALOGUE "SOCIALY RESPONSIBLE INVESTING"</p> <p>Officials at PERSI, Idaho's public workers retirement fund, are reviewing calls to end investments in companies doing business in Sudan. Four other states have passed legislation calling for this type of divestment because of charges of mass genocide in Sudan's Darfur region. Lisa Leff, a certified financial analyst with Trillium Asset Management Corporation; Jim Angresano, a political economy professor at Albertson College and a recently named Teacher of the Year for 2006 from the Carnegie Foundation for Advancement of Teaching; and Keith Brainard, Research Director, National Association of State Retirement Administrators, discuss socially responsible investing for individuals as well as government funds and its impact on public policy.</p>	<p>5/10/07 8:30 p.m. MT/7:30 p.m. PT 30 minutes</p>

<p>9. Mental Health</p>	<p>DIALOGUE "Moscow Shootings"          Sheriff Wayne Rausch, Latah County Sheriff; Judge John Bradbury, who oversees the mental health court in Clearwater County; Dr. Arnold Kadrmas, medical director of the mental health center at St. Joseph's Hospital in Lewiston; Professor Michael Blankenship of the Department of Criminal Justice at Boise State University; and Joel Mills, Palouse reporter for the Lewiston Morning Tribune, examine recent shootings in Moscow and Boise from a mental health perspective. The shootings raise questions about the accessibility of mental health treatment in Idaho, access to guns by the mentally ill, and laws regarding civil commitment.</p>	<p>5/24/07          8:30 p.m. MT/7:30 p.m. PT          30 minutes</p>
<p>10. West Nile Virus</p>	<p>DIALOGUE "WEST NILE VIRUS UPDATE"          Last year, West Nile Virus sickened more than one thousand Idahoans. Twenty-three residents died. This year, health authorities expect another surge of cases of this mosquito-borne disease. Dr. Christine Hahn, State Epidemiologist; Bob Hays, Idaho Dept. of Agriculture; and Mel Lacy, West Nile Virus survivor, discuss how individuals can protect themselves from this disease, what symptoms to be on the lookout for, and what efforts are underway to combat this disease.</p>	<p>5/31/07          8:30 p.m. MT/7:30 p.m. PT          30 minutes</p>
<p>11. Supreme Court</p>	<p>DIALOGUE "SUPREME COURT JUSTICE LINDA COPPLE TROUT"          The first woman appointed to Idaho's State Supreme Court is stepping down in part because she believes judicial elections have become too nasty.</p> <p>Joan Cartan-Hansen talks with Justice Linda Copple Trout about her work on the bench, her decision to retire, and the impact contentious elections have on the justice system.</p>	<p>6/14/07          8:30 p.m. MT/7:30 p.m. PT          30 minutes</p>
