

KSTQ-FM

There follows a listing of some of the significant issues by station KSTQ -FM, along with most significant programming treatment of those issues for the period of JANUARY 2022 thru MARCH 2022. The order in which the issues appear does not reflect any priority or significance.

Quarterly Issue, 1st Quarter 2022

JANUARY thru MARCH 2022

1. COMMUNITY Textcaster – A service provided by the radio station in which listeners can sign up for free to get local weather alerts and breaking news sent to their cell phones or email. PSA's about this service air daily.
2. HEALTH Alcoholics Anonymous – PSA's run daily to help raise awareness of the ability of help for alcoholics and their families. 45 Minutes total time in 1st Quarter committed to this issue between 12am-6am
3. WEATHER ALERT-KTNT announced numerous weather alerts of road conditions and breaking news of ice, sleet and snow. Travel advisories and local business closures due to the extreme weather.
4. PUBLIC SAFETY-Numerous public service announcements were made on air and through Facebook about the dangerous road construction conditions warning our listeners about Highway 69 debris or accidents for their safety.
5. COMMUNITY AWARENESS-Notified City of Eufaula water customers on numerous occasions of water delivery failure due to water line breaks that need repair.
6. PUBLIC SAFETY AWARENESS-Numerous announcements about the dangers of active deer crossing the roads and highways. KSTQ mentioned to motorists the safety precautions while driving.

7. PUBLIC AWARENESS-Mike Rogers did a 4 minute live interview on January 7th, 2022 with Jenny Crosby from Casa Court Appointed Special Advocates. The interview explained what Casa does and expresses the need for host families for abused children in the counties of McIntosh, Pittsburg and Muskogee. Jenny Crosby offered their website information to allow our listeners to contact Casa if they were interesting in hosting.
8. Local events – Local events are aired each weekday during the morning show, community calendar (3 hours).

The following spots all ran in equal rotation from 12am to 11:59pm Monday thru Sunday. 5 minutes total time on each topic ran below:

KSTQ aired a: 30 second spot for the Oklahoma Department of Human Services The "Keep Your Cool" campaign is aimed at reducing the rate of infant deaths due to Shaken Baby Syndrome, especially among young parents.

KSTQ aired a: 30 second spot for the Oklahoma Department of Human Services "Foster Care: Oklahoma Teens" Info: This spot encourages listeners to consider fostering a teenager in need of a family, and provides information on available resources.

KSTQ aired a: 30 second spot for the annual campaign with the Oklahoma Insurance Department. "Body Shop Steering" Info: This spot reminds Oklahoma drivers that insurance companies cannot tell them which body shop they have to use.
