Supporting patients in need

Interview with Dr. Les Lockeridge of North Country Hospital about an upcoming fundraiser for help raising money to support patients with needs. The Money stays locally in our community and helps patients pay for whatever needs may arise during cancer treatments. Gas, housing, food among other staples. The event is called BrewFest and it's happening on July 8<sup>th</sup> at "The Top Of The World" farm in Derby. There will be brew tasting, silent auctions, bands will take the stage and it's open to all. Tickets are \$30 each or 2 for \$50. Children under 12 are 5 dollars. This year will be the 9<sup>th</sup> year of Brew Fest.
