PUBLIC NOTICE On March 6, 2020, an application was filed with the Federal Communications Commission in Washington, D.C. requesting its consent to the assignment of license of Station WWRW(FM), Mt. Sterling, Kentucky (105.5 MHz), from the Aloha Station Trust II LLC to Clarity Communications, Inc. The sole member of the Assignor, the Aloha Station Trust II LLC, is Digital Drake LLC. The sole member of Digital Drake LLC is Barry Drake. The officer, director, and sole shareholder of the Proposed Assignee, Clarity Communications, Inc. is Charles R. Cohn. A copy of this application is available on the Internet at https://publicfiles.fcc.gov.

The Fayette County Public Schools' Local Planning Committee (LPC) will conduct a virtual meeting on Thursday, March 26th at 5:30 p.m. The meeting will be a virtual meeting through Zoom. The link for this meeting is https://zoom.us/j/507390088. The LPC will meet to amend the 2017 District Facility Plan (DFP) to add a Gypsy K-5 STEA program and consolidate Career and Technical Education (CTE) Programs for Eastside and Southside.

Please be advised, in this state of a proclaimed national emergency and under a similar declaration by the Governor, it is not currently feasible for the SBDM to "provide meeting room conditions" in the face of COVID-19, a highly contagious virus spreads between people who are in close contact with one another (within about 6 feet). Under these exceptional circumstances in which the Commonwealth of Kentucky is confronting a worldwide pandemic while nevertheless needing to accomplish critical public business, pursuant to KRS 61.840, the Fayette County Public Schools' Local Planning Committee (LPC) will not provide a primary physical location for public viewing and will proceed pursuant to KRS 61.826 with consultations outlined in the Attorney General's Opinion OAG 20-05.
