And interestingly, she will explore the idea that community is a discipline. Please join her here on The Christian Working Woman.

Promo for Script 2008. The Christian Working Woman, to be aired week ending September 30, 2023:

How to Practice Love

I'm Mary Lowman and there are lots of "how to" books out there. But have you ever read a book on "How to Practice Love"? We don't think of love as something we do, something we practice, do we? But the kind of love described in 1 Corinthians 13 is evident in what we do, not how we feel. This week on The Christian Working Woman I have some suggestions on how to practice love. I invite you to join me.

"The kid's a natural!" That's how a coach might describe a gifted player. Teachers might say it to praise young prodigies. People who are uniquely talented seem born to do what they do.
