CHILDRENS' PROGRAMMING CERTIFICATION

The UniMás Network ("UniMás"), as a standard practice, formats and airs the following children's programs and series so that the total amount of commercial matter (including local ad avails and non-exempt program promotions or website displays) is 10.5 minutes per hour or less on weekends, and 12 minutes per hour or less on weekdays, in compliance with the Children's Television Act of 1980 and with the rules and regulations of the Federal Communications Commission:

- Super Genios
- El Mundo es Tuyo
- Masha y el Oso (including Historias Espeluzantes de Masha & Los Cuentos de Masha)

UniMás hereby certifies that there were no occasions in the Fourth Quarter of 2018 in which the commercial limits for these programs were exceeded.

In addition, UniMás hereby amends the Children's Television Commercial Limits Certifications provided to its affiliates for the First and Second Quarters of 2018 to report the following information:

From November 15, 2017 through February 15, 2018, the UniMás Network aired two consecutive half-hour episodes of the animated television program *Pokémon* between 4 pm and 5 pm EST, Monday through Friday, for a total of five hours per week.

From November 15, 2017 through January 24, 2018, each one-hour block of the *Pokémon* program contained a total of 15 minutes and 45 seconds of commercial time, *i.e.*, 3 minutes and 45 seconds over the 12 minutes per hour limit on commercial time during children's television programming. The cumulative overage during these 47 days was 2 hours, 56 minutes and 15 seconds.

Commencing on January 25, 2018, and continuing through February 15, 2018, the program was reformatted to limit the total amount of non-program time to no more than 12 minutes per hour.

This certification pertains to the immediately preceding calendar quarter (October 1, 2018 – December 31, 2018).

Executed this 7 day of January, 2019.
