April 5, 2022

### **FCC License Renewal for KUHT Local Public Notice Renewal Announcements**

---

Following the submission of the renewal application, the station must broadcast a total of **six (6) on-air post-filing renewal announcements**. These on-air spots must be broadcast **at least once per week (Monday through Friday) for four (4) consecutive weeks, with no more than two (2) broadcasts in a week**. Broadcasts made in the same week may not air on the same day.

*Start date for on-air announcements:* The first on-air post-filing announcement may air as early as the release date of the FCC's Public Notice accepting the renewal application (April 4, 2022), but the first announcement may not air later than the 5<sup>th</sup> business day following release of the FCC's public notice (April 11, 2022).

*Time of day for on-air announcements:* each of the six on-air post-filing announcements must air between the hours of 7 AM and 11 PM local time, Monday through Friday.

*Schedule of announcements.* As noted above, the FCC public notices of the acceptance for filing of your application was released on April 4, 2022. Thus your local public notice announcements **could** be scheduled to air as follows:

Spot # 1: Fri., Apr. 8, 2022 (anytime between 7 AM and 11 PM)

#### **2<sup>nd</sup> week of announcements**

Spot # 2: Mon., Apr. 11, 2022 (anytime between 7 AM and 11 PM)

#### **3<sup>rd</sup> week of announcements**

Spot # 3: Mon., Apr. 18, 2022 (anytime between 7 AM and 11 PM)

Spot # 4: Wed., Apr. 20, 2022 (anytime between 7 AM and 11 PM)

#### **4<sup>th</sup> week of announcements**

Spot # 6: Wed., Apr. 27, 2022 (anytime between 7 AM and 11 PM)

Please note, however, that this is *merely a possible schedule*, and there is some room for station choice in meeting the requirements. For instance, the two weeks consisting of two announcements (instead of just one) could be any of the four weeks. Also, a given week's announcement(s) could air on any day from Monday through Friday of that week, so long as no two spots air on the same day.

*Content:* The on-air announcements must consist of specific language as detailed in the FCC's rules, as follows:

On March 31, 2022, the University of Houston System, licensee of KUHT(TV), Channel 8, Houston, Texas, filed an application with the Federal Communications Commission for renewal of the station's license. Members of the public wishing to view this application or obtain information about how to file comments and petitions on the application can visit [publicfiles.fcc.gov](http://publicfiles.fcc.gov) and search in KUHT's public file.

*Public File Certification:* A certification confirming that the on-air announcements were broadcast as required must be completed and uploaded to the station's online public inspection file (in the Local Public Notice Announcements section) within seven (7) days of the last day of broadcast of the on-air announcements.
