Hogan is running for Senate. Democrats have a big problem. Talking about a margin of one vote two term governor, leading. Hogan is in a dead heat with David Trone.

David throne is the only candidate strong enough to beat Larry Hogan. David listens to people and he fights for what they need. He believes in opportunities and he's willing to fight for working people like us. He has worked for prescription drug affordability. I can now get my medication and pay my bills.

David has been an advocate for reproductive freedom from the start. David's always been about second chances for everyone. Congressman Trone passed the second chance act. I think he sees everyone as a human being. David knows that if you want help to students, hire more teachers. We have a former governor who is running for the party of Trump. The very rights that I have known my entire life, are on the line. David. David. David. David. David. David. Is our best shot to defeat Larry Hogan. Period. "Hi, I'm David Trone and I approve this message". Paid for by David Trone for Maryland.
