Re: WNET-TV (Buffalo, NY); Facility ID No. 71928

Dear Mr. Stevenson:

We have completed our review of the response of Western New York Public Broadcasting Association, licensee of the above-noted station, to the February 6, 2015 random audit letter sent to it in accordance with the provisions of Section 73.2080(f)(4) of the Commission's Equal Employment Opportunity (EEO) rules. As a result of our review, we find that no further action is required. In accordance with Section 73.3526(e)(10), if commercial, or Section 73.3527(e)(11), if non-commercial, of the Commission's rules, the licensee must place copies of this letter, our audit letter, and the licensee's audit response in its station's public inspection file. It must maintain these materials in the file until grant, by final order, of the license for the station.

Additionally, pursuant to Section 73.3526(e)(10) of the Commission's rules for commercial stations or Section 73.3527(e)(11) for noncommercial stations, the licensee must upload copies of this letter, our audit letter, and the audit response in the station's online public inspection file. The materials must remain in the online public inspection file until next grant of the renewal application, by final order, of the license for the station.

Should you have any questions regarding this matter, please contact the EEO Staff at (202) 418-1450. Thank you for your cooperation.

Sincerely,
