Subject:Issues and Programs (Fourth quarter 2020)

Our stations are very involved in the community by raising awareness of many issues and concerns. Along with public service announcements we feature local guests on our morning show and our afternoon drive show. Much of this quarter was dedicated to the COVID 19 Outbreak. From helping people find food and food banks to our second annual Franksgiving. However, COVID 19 was top of mind and many community events had been postponed.
