## Public Service Announcements

### **Colorado Department of Treasury**

*Run dates:* 1/1/2024 – 2/29/2024

#### **Campaign: Colorado Secure Savings**

*Description:* In Colorado, more than 40% of our private-sector workforce does not have access to a retirement savings plan at work — nearly 940,000 workers. With Colorado SecureSavings, businesses can help their employees save for retirement in a convenient Roth Individual Retirement Account (IRA) that is portable even if they change or leave their job. This new program is an easy way for Colorado employees to save for the future.

### **Colorado Department of Treasury**

*Run dates:* 1/1/2024 – 3/31/2024

#### **Campaign: Great Colorado Payback**

*Description:* The Great Colorado Payback is responsible for reuniting Coloradans with their lost or forgotten assets. Money or property turned over to the State Treasury for safekeeping always belongs to the owner or heir of the account and there are no time limits for filing your claim. The Colorado State Treasurer currently maintains a list of over 7.6 million names of individuals as well as businesses for whom property is available.

### **Colorado Department of Health Care Policy & Financing**

*Run dates:* 2/1/2024 – 3/31/2024

#### **Campaign: Keep Colorado Covered**

*Description:* The Department of Health Care Policy & Financing (HCPF) estimates that more than 325,000 current members will no longer be eligible for Medicaid coverage following their annual eligibility review. If a current member's circumstances have changed since enrollment - such as starting a new job that might put them over income for Medicaid - they should begin researching other insurance coverage options to avoid becoming uninsured.
