3.1	Health/Healthcare	12:06pm	12/29/23	1:35	WCIA 3 News at Noon	It is difficult to hear everyone's problems every single day when you come to work. BUT THAT'S BASICALLY THE JOB DESCRIPTION FOR THE TELECOMMUNICATORS WORKING IN CHAMPAIGN COUNTY. THEY ANSWER EVERYTHING FROM FIRE TO MENTAL HEALTH EMERGENCIES. That can be difficult for some people. It really takes a strong person to be able to be that accurate in their work and be that efficient and be empathetic at the same time. OPERATIONS MANAGER BETSY SMITH SAYS THEY ARE SLOTTED TO HAVE 33 OF EMPLOYEES. BUT THEY'RE ONLY WORKING WITH 22 -- THE LOWEST NUMBER THEY'VE EVER HAD. If we don't fill the seats than the 911 calls wouldn't get answered. The help wouldn't get there. The police departments, the fire departments.
