Placed in the Public File January 10 2024

Local Issues.

1) Residents invited to participate in Nov. 1 Sustainability Action

Plan Open House: Community members are encouraged to attend a Nov. 1 open house to learn about the City of Moab Sustainability Action Plan and provide input and perspectives on identified goals and strategies to help shape Moab's sustainable future.

The open house will be held Wednesday, Nov. 1 from 4:30 to 6:30 p.m. at the Grand Center, 182 North 500 West

These Psas ran on KCYN FM during the month of October 2023

2)Lost and Found Listings:

KCYN FM is running regular PSA's over the air as a public service to the community listing various items, dogs, etc. that folks found or lost. These are running several times a day as a free service to the listening audience.

3) City seeks community comment on draft Parks and Recreation Master Plan

The City of Moab's draft Parks and Recreation Master Plan is now available for community review and comments. The plan, which has been developed over a period of months this year, will help the city make ongoing decisions for managing and enhancing city parks, playgrounds, and trails. It also informs future recreation programs, aquatics, and events. KCYN FM played these throughout the 4th Qtr 2023

4) City to explore additional options for Walnut Lane Housing

The City of Moab has notified Park City-based Columbus Pacific Development that the City Council has decided to discontinue contract negotiations for the proposed public-private partnership development of the city-owned Walnut Lane property. After several months of reviewing different options and possible approaches for creating affordable housing at the property, the City determined that the proposed

development, although economically feasible, did not accomplish the long-term goals of the City.

KCYN FM Ran Psa's to announce the Walnut Lane Housing Decision

5) Manti-La Sal National Forest hosts Forest Plan revision open house

Price, UT, November 3, 2023—The Manti-La Sal National Forest invites the public to attend a virtual open house where forest planners will present information about the Draft Environmental Impact Statement and Draft Revised Plan for the Manti-La Sal on Nov. 8, 2023, from 11:00 a.m. to 1:00

Abatements or contact the Grand County Treasurer, Chris Kauffman, 435-259-1338,

ckauffman@grandcountyutah.net. Please contact us even if you miss the deadline.

KCYN Ran Community Service Announcements alerting the public to this virtual open house.

6) Manti-La Sal National Forest Winter ROS Proposal

The Manti-La Sal seeks to provide opportunities for all winter users on the National Forest. The forest planning staff has worked diligently for several years to coordinate the forest plan revision process with cooperating agencies, members of the public, Tribes, and the media. We welcome those who continue to have questions about the ROS to contact planners and recreation staff directly through our planning email at mlnfplanrevision@usda.gov.

KCYN Ran adds alerting the public to this website and explaining details of the proposal.

7) Moab Field Office Releases Proposal for Mud Springs Trail System for Public Comment

The Bureau of Land Management Moab Field Office is releasing a draft environmental assessment for a 15-day public comment period covering the Mud

Springs Trail System. The proposal includes 9.75-mile hand- and machine-built trail system located $\frac{3}{4}$ of a mile east of Highway 191, 12 miles south of Moab, along B Road 129 (Yellow Circle Road, 38.43003, -109.42161) with the proposed trail system located within the hills immediately to the east. The 2008 BLM Moab Field Office Resource Management Plan identified this area as the Upper Spanish Valley Mountain Bike Focus Area and calls for development of a beginner to intermediate skill level mountain bike trail system.
