STANDARD TERMS AND CONDITIONS

The agency (AGENCY) placing the advertising covered by this contract on behalf of the advertiser(s) (ADVERTISER) for whom such advertising is placed, or if a time-buying service (SERVICE) is used, SERVICE, on behalf AGENCY and ADVERTISER, and the station (STATION) accepting this contract, hereby agree this contract shall be governed by the following conditions. In the event of a conflict of any kind between these conditions and any other document provided by ADVERTISER, AGENCY OR SERVICE, these conditions shall govern.

1. PAYMENT AND BILLING

- (a) Time. Payments are to be made under this contract on or before the fifteenth day of the month following that in which broadcasting was done unless otherwise provided on the face of this contract. The postmark date on the envelope containing payment, if such is properly addressed to STATION or its representative authorized to receive payment, shall be considered the date when payment was made unless otherwise stipulated.
- (b) Materiality. In all cases date of payment is material. Upon the failure to receive timely payment, STATION in its own discretion may discontinue further performance under this contract.
- (c) Right to Modify Terms of Payment. Upon reasonable belief of STATION that the credit of ADVERTISER, AGENCY or SERVICE has been impaired, STATION shall have the right to change the terms of payment for further broadcasts under this contract.
- (d) Billing. STATION shall bill AGENCY (or in the event a time-buying service is a party to this contract, STATION shall bill SERVICE) at the end of each standard broadcast month unless otherwise provided on the face of this contract. STATION's invoices shall be in accordance with the log, shall so state, and shall be deemed to be correct unless proved otherwise.
- (e) Joint and Several Liability. Notwithstanding to whom bills are rendered, ADVERTISER, AGENCY and SERVICE, jointly and severally, shall remain obligated to pay to STATION the amount of any bills rendered by STATION within the time specified and until payment in full is received by STATION. Payment by ADVERTISER to AGENCY or to SERVICE, or PAYMENT by AGENCY to SERVICE, shall not constitute payment to STATION.

2. TERMINATION

- (a) Broadcasts of Five Minutes or More. If this contract calls for broadcasts of five minutes or more duration, it may be terminated by either party upon giving the other party twenty-eight (28) days' prior written notice thereto, but no such termination shall be effective until thirteen (13) weeks after the start of broadcasting hereunder.
- (b) Broadcasts of Less than Five Minutes. Insofar as this contract calls for broadcasts of less than five minutes duration, it may be terminated by either party by giving the other party twenty-eight (28) days' prior written notice, but no such termination shall be effective until twenty-eight (28) days after the start of broadcasting hereunder. However, STATION in its discretion may attempt to sell off schedule, with the understanding that any such attempt shall not reduce or change liability for payment of any unsold portion.
- (c) Effect of Termination. If a party other than STATION terminates this contract, ADVERTISER, AGENCY and SERVICE, jointly and severally, shall be obligated to pay STATION at the published rate for broadcasts made or contracted for, to and including the date of termination. If STATION so terminates this contract and STATION and AGENCY or, if this contract is with a time buying service, STATION and SERVICE, cannot agree on a satisfactory substitute day or time for continuance of broadcasts covered by this contract at the card rates on which this contract is based, ADVERTISER, AGENCY and SERVICE, jointly and severally, shall be obligated to pay STATION for broadcasts made to and including the date of termination without penalty of short rate; that is, such parties shall have the benefit of the same discounts which they would have earned had they been allowed to complete the contract. In the event of termination hereunder, neither STATION nor ADVERTISER, AGENCY or SERVICE shall have any liability hereunder otherwise than as specified in this paragraph and in paragraph 9.

3. EFFECT OF BREACH

- (a) By ADVERTISER, AGENCY or SERVICE. STATION reserves the right to cancel this contract at any time upon default by ADVERTISER, AGENCY or SERVICE in the payment of bills or other material breach of the terms hereof. Upon such cancellation all charges for broadcasting done hereunder and not paid shall become immediately due and payable. If such cancellation is by reason of the material breach of ADVERTISER, AGENCY or SERVICE, the only liability of such parties, which liability shall be joint and several, shall be to pay to STATION as liquidated damages, a net sum equal to that which would have been payable to STATION, had notice of termination pursuant to paragraph 2 hereof been given to STATION as of the date of STATION's cancellation, less any amount which STATION actually receives for the sale of the same time.
- (b) By STATION. In the event of a material breach by STATION in performing this contract, this contract may be cancelled at any time by AGENCY or if a time buying service is a party to this contract, by SERVICE. If such cancellation is by reason of STATION's material breach, STATION's liability shall be limited to the payment, as liquidated damages, of a net sum equal to the actual non-cancellable live talent costs incurred by or on behalf of ADVERTISER for the production of a live program (not limited nor recorded) in the cancelled time and the reasonable allocated print or rental cost of films scheduled for the cancelled broadcast and not usable for future scheduling, due to such breach. Notwithstanding the foregoing STATION's liability shall not exceed the time costs involved for the unexpired and non-cancellable portion of the contract; that is, STATION shall not be liable for any sum greater than the sum of time charges involved had STATION, as of the date of cancellation, given notice of termination pursuant to paragraph 2 hereof. Inability to broadcast covered by paragraph 4 shall not be deemed a breach of this contract.

4. INABILITY OF BROADCAST

- (a) Simultaneous interruption of Aural and Visual Signal. If, due to public emergency or necessity, force majeure, restrictions imposed by law, acts of God, labor disputes, or for any other cause, including mechanical breakdowns, outside of STATION's control, STATION shall be unable to broadcast due to simultaneous interruption of aural and visual signals, any program, announcement or a part of any program or announcement contracted to be broadcast hereunder, STATION shall not be liable to ADVERTISER, AGENCY or SERVICE except to allow (1) a pro rata reduction in the time charges hereunder or (2) if an interruption occurs during the commercial announcement portion of any broadcast, a credit in the same proportion to the time charges which the omitted commercial portions bears to the total commercial portion of the broadcast, it being understood that the determination of the credit owed hereunder shall be made on whichever basis is less favorable to STATION. In lieu of the foregoing, upon mutual agreement of the parties hereto, STATION may allow a later broadcast of the omitted performance at a satisfactory substitute day and time and with respect to such later broadcasts there shall be allowed the same discounts as would have been earned had the performance had not been omitted.
- (b) Interruption of Either Aural or Visual Signal. If the failure is of either the aural or visual signal, but not both, the amount of the adjustment shall be subject to negotiation.
- (c) Interruption of Aural Signal (Radio). The terms of subparagraph (a) above shall apply to interruption of aural signals for radio.

5. SUBSTITUTION OF PROGRAMS OF PUBLIC SIGNIFICANCE

- (a) Conditions of Substitution. STATION shall have the right to cancel any broadcast or portion thereof covered by this contract in order to broadcast any program which, in its absolute discretion, it deems to be of public significance including, but not limited to, sporting events. In any such case, STATION will notify AGENCY (or, if a time buying service is a party to this contract, STATION will notify SERVICE) in advance if reasonably possible, but where such notice cannot reasonably be given, STATION will notify AGENCY or SERVICE, as the case may be, within a reasonable time after such scheduled broadcast, that such broadcast has been cancelled.
- (b) Adjustment. If AGENCY and STATION (or if a time buying service is a party to this contract, if SERVICE and STATION) cannot agree upon a substitute day and time, the broadcast time so pre-empted shall be deemed cancelled without affecting the rates, discounts, or rights provided under this contract, except that neither ADVERTISER, AGENCY nor SERVICE shall be required to pay for the cancelled STATION charges. However, in such case, if the program substituted by STATION is a sponsored program, STATION shall pay to AGENCY or SERVICE, as the case may be, the actual non-cancellable live talent cost incurred by or on behalf of ADVERTISER for the production of a live program (not filmed nor recorded) in the cancelled time, and the reasonable allocated print or rental cost of films or tapes scheduled for the cancelled broadcast and not usable for future scheduling, not to exceed the time charges for the period involved.

6. RATES AND CHARGES

- (a) Policy. AGENCY nor SERVICE shall not rebate to its client any part of the commission allowed by STATION; provided, however, that this shall not be deemed to prohibit the operation of any duly established fee arrangement.
- (b) Rate Protection. Anything to the contrary notwithstanding in this contract or any other agreement between the parties, STATION reserves the right to increase any of the rates and charges set forth on the face hereof by public announcement of a new rate card (e.g. publication in Spot Television Rates & Data and similar interim reports published by Standard Rate & Data Service, Inc. shall constitute public announcement). Any such increases shall not be applicable to broadcasts under this contract or reward.

7. PROGRAM PRODUCTION

- (a) AGENCY or SERVICE Responsibility. Unless otherwise noted on the face of this contract, all program material, including talent and commercial announcements, shall be furnished by AGENCY or SERVICE and all expenses connected with the delivery thereof to STATION and return therefrom, if so directed, shall be paid by AGENCY or SERVICE.
- (b) Approval of Material. Television or radio program material delivered to STATION hereunder is subject to STATION approval both as to talent and broadcast content and STATION may exercise a continuing right to reject such material, including a right to reject for unsatisfactory technical quality.
- (c) Property Rights. All property and proprietary rights in any program material or other matter prepared, created, or devised by either party hereto (or to the principal or principals of such party for use in connection with programs broadcast shall be retained by the party preparing, creating or devising the same.

8. NON-RECEIPT OF MATERIAL

Should STATION fail to receive program material by 96 hours, excluding Saturday, Sunday and Holidays, in advance of the time of broadcast, STATION may notify AGENCY (or if a time buying service is a party in this contract, STATION may notify SERVICE) by telegram or teletype. If material has not been received by 72 hours, excluding Saturday, Sunday and Holidays, in advance of the time of broadcast, and in the event that AGENCY or SERVICE, as the case may be, has been so notified, ADVERTISER, AGENCY and SERVICE shall be obligated, jointly and severally to pay STATION on STATION'S demand, STATION'S regular charges for time and facilities as liquidated damages.

9. BROADCAST LIABILITIES

(a) Indemnification ADVERTISER, AGENCY and SERVICE. ADVERTISER, AGENCY and SERVICE, jointly and severally, shall be obligated to hold and save STATION harmless against any or all liabilities (including costs and attorneys' fees) resulting from the broadcast of programs or program material prepared, produced or furnished to STATION by or on behalf of ADVERTISER, excepting such liability as may result from the broadcast on such broadcasts of material furnished by STATION and musical compositions, the performances of which are licensed by a music licensing organization of which STATION is a licensee.

(b) Indemnification by STATION. STATION will hold and save ADVERTISER, AGENCY and SERVICE harmless against all such liability on STATION produced broadcasts excepting only such liability as may result from the broadcast of commercial credits, and other material furnished by or on behalf of ADVERTISER. In addition, STATION will hold and save ADVERTISER, AGENCY and SERVICE harmless with respect to material furnished by STATION for broadcasts produced by, or on behalf of ADVERTISER and with respect to the performance of musical compositions on such broadcasts, provided the performances of such musical compositions are licensed for broadcasting by a music licensing organization of which STATION is a licensee.

10. WARRANTY AND REPRESENTATION AS TO AUTHORITY

If this contract is between STATION and AGENCY, AGENCY represents and warrants that it has the authority from the ADVERTISER, as the ADVERTISER'S agent, for all purposes of this contract, including but not limited to arranging, servicing, and paying for the advertising specified herein, and if contract is between STATION and SERVICE, SERVICE likewise represents and warrants that it has authority from the AGENCY and ADVERTISER, to enter into this contract on behalf of AGENCY and ADVERTISER, as AGENT for AGENCY and ADVERTISER, for all purposes hereof.

11. SPONSORSHIP ID

(a) Each of ADVERTISER, AGENCY and SERVICE agree to include disclosure sufficient to satisfy the requirements of Sections 317 and 507 of the Communications of 1934 ("Sections 317 and 507") in any program or other content provided any of them in connection with any sponsorship or consideration which any person has been directly or indirectly paid or accepted, or promised to be paid or to accept, for the inclusion of any matter as part of any programming and to disclose to Station in writing in advance any information of which it has, or which has been disclosed to ADVERTISER, AGENCY or SERVICE as to any money, service or other valuable consideration which any person has been paid or accepted, or has agreed to pay or accept for the inclusion of any matter as a part of any programs as required by Sections 317 and Section 507. The term "service or other valuable consideration" as used in this section shall not include any service or property furnished without charge or at a nominal charge for use on, or in connection with any programs unless it is so furnished in consideration for an identification in any programs of any person, product service, trademark or brand name beyond an identification which is reasonably related to the use of such service or property in such programs. Each of ADVERTISER, AGENCY and SERVICE shall exercise reasonable diligence to inform its employees and other persons with whom it deals directly in connection the material and content it is providing Station of the requirements of Section 317 and 507.

(b) Foreign Sponsor ID. ADVERTISER, AGENCY and SERVICE have each reviewed the requirements adopted by the FCC in the Matter of Sponsorship Identification Requirements for Foreign Government-Provided Programming, Report and Order, MB Docket No. 20-299 (rel. April 22, 2021), 47 CFR 73.1212, (the "foreign government sponsorship ID rule"), which AGENCY represents and warrants it has provided to each ADVERTISER and/or SERVICE. If it becomes aware of any change in its representations under the provisions above that could implicate the foreign government sponsorship ID rule, then each of ADVERTISER, AGENCY and SERVICE will notify STATION in writing as soon as possible, and in any event within forty eight (48) hours of becoming aware and in any event at least forty eight (48) hours prior to any broadcast, and each further agrees to provide any necessary information, including in-program disclosures, such that broadcast of the provided content complies with the foreign government sponsorship ID rule.
