Local Issues Programs
Programming WBXJ-CD

WBXJ-CD weekly plays 3 hours a week of local programming that includes local weather, traffic conditions, local sports, local calendar of events and missing children for the area that are updated in real-time.

Schedule for local programming:

Date	Time	Length	Program Title	Community Issues
1/1/2023- 3/31/2023	6:30 am	30 mins	Local Update	Local weather, traffic, sports, local calendar of events and AMBER alerts
	3:30 pm	30 mins	Local Update	Local weather, traffic, sports, local calendar of events and AMBER alerts

We believe this content keeps the local communities informed of their local events that can enrich their lives thereby bringing the communities close together.
