

Q4 2018
Local Issues Programs
Programming WBXJ-CA

WBXJ-CA simulcasts the morning talk radio program 1010XL
WJXL FM 92.5 FM Monday through Friday from 7 AM to 8 AM.

We are committed to offering a platform for locally produced programs including the broadcast of several church services of varying denominations. The station avails itself to anyone who wishes to air any locally produced material suitable to broadcast and will continue to work with the public to ensure that the needs of the community are being met. We feel that not only does this type of programming meet the Commission's requirements for locally produced programming, but it can also address issues that affect the community.

Created 01/08/2019, however unable to upload to FCC during government shutdown.
