For many divorce attorneys, the beginning of the year is typically peak season for obtaining new clients. After the holiday season is over, struggling couples reassess their marriage in the new year and then, if they choose to move forward, start the process of divorce in February. We speak with prominent New York City divorce attorney Jacqueline Newman about the biggest misconceptions people have when it comes to divorce and why everyone – single or married – should keep these tips in mind. Affordable Housing, Economy, Housing Market, Inflation, Personal Finance AFFORD ALONE: WHY THE AVERAGE AMERICAN ON OLONGER AFFORD THE AVERAGE HOME AVERAGE HOME AVERAGE HOME AVERAGE HOME Just 15.5 percent of homes on the market last year were within budget for the average American. That's the lowest percent for housing affordability ever recorded in U.S. history, according to a new report from the real estate firm Redfin. We speak with two real estate and housing experts about the large-scale increase in housing prices and mortgage loans and if there's any relief in sight this year. EXPLAINED: HEADING TO THE NAIL SALON SOON? THINK AGAIN A new study published in the scientific journal, Nature Communications, has found a potential link between gel nail treatments and skin cancer. We cover the latest research and how to advocate for your health when at the nail salon. PERFORMANCE ANXIETY: WE ALL STRUGGLE WITH IT. HOW DO YOU RISE ABOVE? Before a big presentation or test or job interview, most of us struggle with different levels of anxiety, nerves, and self-doubt. Dr. Dana Sinclair has worked with Olympic athletes, A-list actors and actresses, and even surgeons on how to overcome this performance anxiety and get back in control in a matter of minutes. We speak with her to learn how everyone can utilize these same strategies in their daily lives.
