

6TH ANNUAL AMERICAN HEART RIDE

WHEN:

Sat, May 17, 2014 7:00 AM

WHERE:

Rotations Bicycle Center
32 Windmill Ln, Southampton, NY 11968
Southampton Village & Surrounding Areas

DETAILS:

On Saturday, May 17, 2014 you can be a part of the American Heart Association's American Heart Ride, a unique cycling experience and fundraising program to support the American Heart Association. You can be a part of an exclusive team of cycling enthusiasts from the corporate, medical, and philanthropic world who are committed to the American Heart Association mission: building healthier lives, free of cardiovascular diseases and stroke -- one peddle stroke at a time! This exciting riding event is once again going to start at Rotations Bicycle Center in Southampton and riders will ride 27, 59, or 100 miles through the Heart of the Hamptons. The Heart Ride will be an unforgettable way for riders to experience the beautiful scenery of the Hamptons of Long Island, the beaches, the mansions and the farmlands. By supporting the American Heart Association, you are showing the community your commitment to create an atmosphere of health and physical activity for the whole family by taking immediate action to fight heart disease and stroke, our nation's leading killers and disablers. The Heart Ride takes a critical step toward raising vital funds for research, education, and awareness of heart disease and stroke.
