Re: Retransmission Consent Election for Stations WESH-TV and WKCF-TV

Dear Mr. Canavan,

We are in receipt of your letter dated October 15, 2019, but which was received at our offices on October 17, 2019, announcing the intention of TPC PSL Holdings LLC, through its wholly owned subsidiary Blue Stream Communications, LLC ("Blue Stream"), to commence cable television service in the Orlando-Daytona Beach-Melbourne, FL designated market area (the "Orlando DMA"). Hearst Properties Inc. is the licensee of WESH-TV, Daytona Beach, FL ("WESH") and WKCF-TV, Clermont, FL ("WKCF"), each in the Orlando DMA. To the extent Blue Stream commences operation of a new cable system in the Orlando DMA, Hearst Properties Inc. hereby elects, pursuant to 47 C.F.R. § 76.64, retransmission consent for both WESH and WKCF with respect to all Blue Stream systems in the Orlando DMA for the election cycle commencing January 1, 2018 and terminating December 31, 2020.

Please contact WESH/WKCF's President and General Manager, John Soapes, when Blue Stream would like to begin discussions of the terms and conditions for a carriage agreement for WESH and WKCF. In the meantime, if you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "N. Radziul", with a long horizontal stroke extending to the right.

Nicholas Radziul
SVP, Distribution & Government Affairs
