Re: 2018-2020 Three-Year Election for Retransmission Consent

Dear Ramirez:

In accordance with Section 76.64 of the Rules of the Federal Communications Commission ("FCC"), this is to notify you that Station **WESH-TV and WESH DT**, Orlando, Florida (the "Station") elects to require CHARTER SPECTRUM - LAKE CNT to obtain the consent of the Station for retransmission of its broadcast signal effective January 1, 2018, through December 31, 2020, for all geographical areas. Consent of the Station for retransmission of its signal will be required for, but not limited to, the system(s) serving the community (ies) and county (ies) listed on the enclosed 2018-2020 Retransmission Consent Election Statement.

I would appreciate your contacting me to discuss the terms under which the system(s) may retransmit the Station's signal. If you already have a retransmission consent agreement with the Station or Hearst Television Inc. or a subsidiary thereof (collectively, "Hearst") that covers the Station for all or a portion of the January 1, 2018, through December 31, 2020, cycle, then the terms of that agreement will govern for the period specified in the agreement. If such an agreement expires prior to December 31, 2020, then it will be necessary for you to negotiate for retransmission consent following that expiration. In addition, if any retransmission consent agreement between you and the Station or Hearst contains an automatic renewal provision, then this letter shall also serve as notice of termination of that agreement, and it will be necessary for the system(s) to negotiate for retransmission consent following expiration of the current term of that agreement.

Sincerely,

John R. Soapes
President and General Manager
