

**STATEMENT CONCERNING CHILDREN'S TELEVISION REPORT
FOR THE SECOND QUARTER OF 2016 SUBMITTED ON APRIL 7, 2016**

WKIN-CD inadvertently filed the Q2 2016 Children's Programming Report on April 7, 2016, before the end of the second quarter of 2016. This report should be disregarded. We have now uploaded a revised Children's Programming Report for the second quarter of 2016, which is a reconstruction of the children's programming which aired on WKIN-CD between April 1, 2016 and June 30, 2016.
