Submitted by Karen Schoff, Station Manager

The station has identified the following issues as significant issues facing our community in this quarter:

- | | | |
|-----------|----------------------------------|---|
| A. | Current Events: | The need for community to be aware of events that have or are taking place in our community as well as elsewhere in the world. |
| B. | Patriotism: | The need to develop patriotism and love of country in our community. |
| C. | Police Relations: | Improving the community's relationship with the police. |
| D. | Encouraging Christianity: | To address increasing secularism and religiosity in the community. As community members become more Christian in their belief and conduct, the problems in the community will decrease. |

| F. | Philanthropy: | Developing a generous community, who gives both to those in need within the community, as well as to those in other places, will improve the community. |
| G. | Public Events: | Promoting Family-Friendly Events For The Family. |
| H. | Humanity: | Helping individuals / organizations that reach out to improve humanity, i.e., with education, food, clothing etc. to improve their living conditions. |
