

ISSUES/PROGRAMS LIST

October – December 2012

KDHW-CD, Facility ID 10907, Yakima Washington

Submitted by Karen Schoff, Station Manager

The station has identified the following issues as significant issues facing our community in this quarter:

- A. **Current Events:** The need for community to be aware of events that have or are taking place in our community as well as elsewhere in the world.
- B. **Patriotism:** The need to develop patriotism and love of country in our community.
- C. **Police Relations:** Improving the community's relationship with the police.
- D. **Encouraging Christianity:** To address increasing secularism and irreligiosity in the community. As community members become more Christian in their belief and conduct, the problems in the community will decrease.
- E. **Abortion:** The need for the community to be aware of the numbers of abortions, the consequences, and efforts to address the ills of abortion.
- F. **Philanthropy:** Developing a generous community, who gives both to those in need within the community, as well as to those in other places, will improve the community.

The station has broadcast the following programming to address the above-referenced issues:
