Submitted by Karen Schoff, Station Manager

The station has identified the following issues as significant issues facing our community in this quarter:

- A. Current Events:** The need for community to be aware of events that have or are taking place in our community as well as elsewhere in the world.
- B. Patriotism:** The need to develop patriotism and love of country in our community.
- C. Police Relations:** Improving the community's relationship with the police.
- D. Encouraging Christianity:** To address increasing secularism and irreligiosity in the community. As community members become more Christian in their belief and conduct, the problems in the community will decrease.
- E. Abortion:** The need for the community to be aware of the numbers of abortions, the consequences, and efforts to address the ills of abortion.
- F. Philanthropy:** Developing a generous community, who gives both to those in need within the community, as well as to those in other places, will improve the community.
- G. Public Events:** Promoting Family-Friendly Events For The Family.
- H. Humanity:** Helping individuals / organizations that reach out to improve humanity, i.e., with education, food, clothing etc. to improve their living conditions.

The station has broadcast the following programming to address the above-referenced issues:
