 Mansfield University of Pennsylvania

Quarter 1 January-March 2023		
Date	Topic	Description
2/2/2023	Groundhog Day	As many of you know it is the second of February which is technically a holiday! Though we do not get off from work or school for it, it is still a holiday none the less. Today is Groundhog Day! Punxsutawney Phill saw his shadow so unfortunately; we are going to be having six more weeks of winter so bundle up. A fun fact about the day, for three years in a row now, Phill has seen his shadow. I don't know if this has to do with weather as of late, but it is a trend, nevertheless.
2/20/2023	Campus Psychology Club	The following PSA was inspired by a Flashlight article written by Alexia Dye. Paige Grant, a forensic psychology major, has become the president of the Psychology club here at Mansfield University. The club has finally started up again after not being able to meet since the COVID-19 Pandemic. The club will be focusing on positive mental health throughout the campus. The club will be doing fun events to help students have better mental health like hiking, yoga, movie nights, and more! If you are interested in being involved in these events, meetings are on Wednesdays from 3:30 to 4:30 in south hall in room 208.
2/20/2023	Criminal Mischief	The following PSA was provided by the Police Beat in The Flashlight. Damage was reported on Tuesday, November 14 <sup>th</sup> to one of the computers in Allen room 214. If anyone has any information on this event, please contact campus police at (570) 662-4900.
3/20/2023	Campus Food Pantry	The following PSA was brought to you by Flashlight Contributor Jasmine Hilton. Did you know that there's a food pantry on Mansfield campus? There is! In Alumni hall 114. The program started 5 years ago and has been a resource for students ever since. It is open for all students that are unable to leave campus or

		<p>afford necessities. The Food Pantry is open from 10 am to 3 pm Mondays, Wednesday and Friday. If you want to donate to the food Pantry there are buckets all throughout campus, specifically in North Hall, and Lower Manser. If you have any questions about the Food Pantry email MA-FoodPantry@commonwealth.edu.</p>
<p>3/23/2023</p>	<p>Jasmine Hilton Reaches 1,000 Points</p>	<p>The following PSA was brought to you by Flashlight contributor Madison Swisher. On February 11<sup>th</sup> Jasmine Hilton player on the Mansfield University basketball team reached 1,000 points in her career playing for our school. Many showed for the game as it was a pink out game, and all who showed got to witness the amazing moment when Hilton scored her one thousandth point. All who were there remarked at how amazing the moment truly was. Fans were cheering, and Hilton's entire team came in from the sidelines to congratulate her on the amazing moment. On behalf of the entire WNTE staff congrats to our fellow DJ Jasmine!</p>
