Issue: Human trafficking

Description: The United States ranks as one of the worst countries in the world for human trafficking and Ohio is among the states most affected. Annemarie Mullenix is with the Collaborative Against Human Trafficking in Summit County which continues to spread the word so that strides can be made to stop it. Mullenix has tips for parents when it comes to electronics and monitoring them. Also Homeland has a great website to check warning signs and what to look for if you do see something suspicious. Also, the Ohio Attorney General's office working hard to find these traffickers and shut down their operations.

Issue: Alzheimer Month

Description: Dorothy Barto is the executive director of the Alzheimer Network of the Mahoning Valley and Shenango Valley. Their mission is to provide resources for people as soon as they are diagnosed. The Network offers 13 monthly support group meetings at various churches and assisted living centers. Dorothy highlights the importance of letting the doctor know about changes and observations to share in getting a diagnosis. The Network plans various fundraisers throughout the year to help cover the costs of their mission.

Issue: Human Trafficking

Description: Judge Anne Marie O'Brien and Ann Marie Mullemix are with the Collaborative Against Human Trafficking (Summit County). They work to educate and collaborate among service providers to ensure victims receive quality services and agencies feel equipped with best practices outlined by the Ohio Attorney General's office. Judge O'Brien focuses on the laws associated with human trafficking and also dispels myths we associated with the crime. An estimated 40.3 million people are estimated to be in this modern day slavery. 1 in 4 victims are children.

Issue: Family History Month

Description: October is Family History Month. Stacey Adger is a trustee for the Youngstown District of the Ohio Genealogical Society that represents Mahoning, Trumbull, Ashtabula, Columbiana, Portage and Summit counties. Stacey breaks down the events coming this month where people can delve more into resources available to them when getting started on their history. The Ohio Genealogical Society was established in 1959 – with the library located in Bellville Ohio. And the library is offering free access this month.
