Issue: Covid 19 / Foodbank

Description: Second Harvest Food Bank of the Mahoning Valley is experiencing a much greater demand for food assistance due to the Covid 19 Health Crisis.

Becky Paige is the Marketing Director and shares information on how families in the community can reach out for immediate assistance. She notes that the need has increased by approximately 30% over 2019 and says many of those seeking assistance are first time recipients that have recently lost employment. Listeners who wish to donate are directed to [mahoningvalleysecondharvest.org](http://mahoningvalleysecondharvest.org). Those in need can dial 2-1-1 to be connected to Food Bank pantries.

Issue: Children's Services / Coronavirus Impact

Description: Tim Schaffner is the Executive Director for Trumbull County Children's Services. Tim shares that referral calls to the agency are down approximately 40% and in larger counties in Ohio as much as 50% due to the fact that schools are shuttered due to the pandemic as students continue online learning from home. He is asking the public to continue to call 330-372-2010 if they suspect a child may be abused or neglected so the agency can investigate.

Issue: Coronavirus Update

Description: Doctor John Venglarcik is an infectious disease specialist based in Youngstown. And updates us on the current situation locally with coronavirus. He says testing will be key to determine herd-immunity and does not suspect we will have a second wave of it. Venglarcik agrees with schools resuming in the fall and thinks some of the strict measures in place during the lockdown went too far. He explains his thoughts on wearing a mask.

Issue: Mental Health Awareness- Coronavirus Impact

Description: Mental health is of great concern as people are staying home due to the Coronavirus. Many are isolated, have lost jobs and have limited resources. The virus has placed tremendous pressure on health care workers. Joe Caruso is the Executive director of Compass Family and Community Services. He notes that under normal circumstances at least 1 in 5 people will experience mental illness in their lifetime. Caruso talks about a new hotline for health care heroes and urges anyone experiencing feelings of hopelessness and despair to contact Compass for help.
