Issue: Children's Services / Coronavirus Impact

Description: Tim Schaffner is the Executive Director for Trumbull County Children's Services. Tim shares that referral calls to the agency are down approximately 40% and in larger counties in Ohio as much as 50% due to the fact that schools are shuttered due to the pandemic as students continue online learning from home. He is asking the public to continue to call 330-372-2010 if they suspect a child may be abused or neglected so the agency can investigate.

Issue: Food Assistance/Pandemic

Description: Second Harvest Food Bank of the Mahoning Valley reports the need for food assistance in our tri-county area has doubled due to the Coronavirus pandemic. The organization has been conducting traveling food pantries to allow the public to 'drive thru' with car trunks open to receive both fresh and nonperishable food items with minimal contact. The Ohio National Guard is assisting with these efforts. Second Harvest is currently working with local school districts on how to address the food support needs of students when they attend virtual classes rather than in person classes where many school have on site food pantries.

Issue: Human Trafficking

Description: Attorney Jennifer Rausch is the Legal Director of the Ohio Attorney General's Office on Human Trafficking. The Task Force launched a statewide public awareness campaign to raise awareness of human trafficking, and to direct tips to the National Human Trafficking Hotline. Human trafficking is not easily detected but authorities continue efforts to break up rings. Human trafficking is a form of modern day slavery where people profit from the control and exploitation of others.
