Issue: Beatitude House

Description: Teresa Boyce is with Beatitude House, which empowers women and their families to reach their goals, especially through education. In the 30 years they have helped over 7,000 individuals. 50% of the housing funds do come from the government but the rest comes from community support. They are working on plans for their annual golf fundraiser at the Lake Club this year, in addition to their wine taste they just had.

Issue: Sojourner House

Description: Jennifer Gray with Sojourner House talks about their upcoming 30 year birthday. And to commemorate the milestone, they are giving away a Riviera Maya vacation package in the Winner's Choice Raffle. Money goes towards keeping the legacy of providing safe, confidential and free live-saving services to domestic violence survivors. Sojourner has also been able to resume support groups which had been shut down during the pandemic.

Issue: Covid/Youngstown

Description: Erin Bishop is the Health Commissioner for the city of Youngstown. Bishop outlines the state of COVID locally and current plans for distributing vaccines. She says there are some neighborhoods in the city where only 35% of residents have been vaccinated. And the current numbers are following a national trend -- affecting the younger population. Bishop says they are waiting word on boosters and how that will roll out.
