Issue: Eating disorders

Description:

Tiffany Nigrin is heading up a charity walk for the National Eating Disorder Association at the Cleveland Zoo on Oct 8th. She is hoping to get support from Northeast Ohio. 100% of proceeds raised used for support resources, education and prevention programming. 30 million people in the U-S will struggle with life threatening eating disorders at some point in their lifetime. The numbers were especially high during the pandemic.

Issue: Youngstown Foundation

Description:

Joe Midlick is the VP of the Youngstown Marathon Foundation --- a non profit organization that raises money for local charities. This year's charities are American Heart Association, Ballet of Western Reserve, Cadence Care Network and The Youngstown Blue Coats. The Youngstown Marathon was listed in Runners World magazine as one of the more difficult marathons to run. It takes place in the second largest metro park in the country Mill Creek Park. Next to Central Park in New York. 1000 runners are expected this year.

Issue: Blood shortage

Description:

Christy Peters is the Regional Communications Manager for the American Red Cross Northern Ohio Region. Peters says the blood supply is at a critical level. This could lead a seasonal blood shortage and that could negatively impact patient care at hospitals.
