

“IN FOCUS”

AIR DATE: September 22, 2013

HOST: Claire Beverly

MAIN ISSUE #1: Jobs, Health, Community, Local Business

MAIN ISSUE #1 TOTAL TIME: 15 minutes

MAIN ISSUE #1 PROGRAM SUMMARY:

United Way of the Coastal Empire, in partnership with Kole Management Company has launched the Independent Housing Collaborative (IHC), an innovative initiative between many local agencies and companies dedicated to helping qualified individuals and families build stable housing and self-sufficient lives. The initiative serves homeless individuals and families who are currently enrolled in local human service programs or those who have been displaced by fire or any other disaster. We speak with current Board President of the United Way of the Coastal Empire about the goals and results of this programs, as well as their other community services.

MAIN ISSUE #2: Environment, Community, Local Business, Jobs

MAIN ISSUE #2 TOTAL TIME: 15 minutes

MAIN ISSUE #2 PROGRAM SUMMARY:

Sustainability in Golf... Beyond the Green is an educational event about sustainability that includes balancing environmental stewardship with impacts on quality of life and the economy. It includes a full-day symposium of collaborative discussions, idea and information exchanges via panel discussions with regional and national sustainability and golf experts. Using the example of golf as a game, habitat preserver and contributor to the community and its economy attendees will discover new ways to support sustainable efforts in their own community.
