5/8 Jonathan Williams-Chief Economist & VP-Center for State Fiscal Reform-American Legislative Exchange Council-previews this year's Rich States/Poor States ALEC-Laffer State Economic Competitiveness Index. Alabama is ranked 20. Georgia has leaped to 11. TN & FL with no state income tax are also ahead of us.

5/9 Christy Edwards-Rep Candidate-AL Court of Civil Appeals Place 1-discusses the importance having tax law expert on court with so many technology and internet commerce issues coming.

5/10 Stan Cooke-Rep Candidate-AL State Auditor-discusses the need for focus on state property and not approaching departments in a confrontational manner. Prosecuting wrong doing vigorously. Says waste and fraud are in the millions of dollars.

5/10 Fallen Officer Memorial is always a special and somber event. I attended last night with family and was sadden by the new officer's name being added to the memorial.

5/11 Thair Phillips-President of Retire Safe-breaks down the problems and challenges of the 340B program. Like many government programs it began with good intentions (1992) to become complicated by Obama Care and growing Baby Boomer population. It needs a congressional fix.

5/11 Judge Dennis O'Dell-Rep Candidate-AL Court of Criminal Appeals Place 2-discusses his experience as the only judge running in the primary. Cites experience on the bench, his interest in research. Says mental health and veteran's courts have been an improvement in a few counties including Madison.

5/14 AL AG Steve Marshall-discusses his Faith Forums for fighting violence, opioids and safe schools.

5/14 Elliott Lipinsky-Rep Candidate-AL State Auditor-says office needs to follow it's job and not vie for attention in areas unrelated to the function of the office. As a DA he has prosecuted property crimes. Auditor must build relationships.

5/15 Laura Hall-Dem Candidate & Incumbent-AL House 19-favors local control over Education, Lottery, open to sports betting, creative ideas for infrastructure, mental health work force development.

5/15 It's Peace Officer's Memorial Day. Flags are at half-staff. Cool story about a little girl whose goal is to hug every police officer in America.

5/15 Sports Betting for Alabama. Birmingham for years has been known as the Illegal sports betting capital of America.

5/16 Judge Debra Jones-Rep Candidate-Alabama Supreme Court Place 1-discusses her experience at various legal jobs. She has help shape laws that were unclear. Believes court should defend both constitutions.

5/16 Scotty attended Dem senate forum at Alabama A&M last night. Attendees were energized.

5/17 Cary Pool & Nick Thomas-10<sup>th</sup> Annual National Cyber Summit-discuss this year's event which includes academia, industry, genetic research and healthcare. The danger is real. One goal is to attract high schoolers to IT and Cyber Security. Event also includes a job fair.

5/18 Judge Pat Thetford-Rep Candidate-AL Court of Civil Appeals PI 1-discusses his experience in the Jefferson County Circuit Civil is separate from Criminal and divided between Family & Tort. Would like to see all opinions of the Appeals Court made available to attorneys.
