Section II lists public service announcements that the station broadcast during the preceding calendar quarter that address community issues. The following provides a representative sample of our extensive broadcast of public service materials.

In addition to the listed recorded PSAs, KQSN airs numerous live PSAs each day. The attached "Hot Sheets" from period each month are the "Live PSA" scripts for local events, causes and activities. Each item listed was read or voice-tracked in our 10am – 9pm programming and aired a minimum of 5 times each during that specific week.
