FCC Post-filing script for WFPL - 27010
(airs once between 7-9AM on April 1 & 16, May 1 & 16, and June 1 & 16;
also airs once between 4pm-6pm on all those same dates)

On August 2, 1996 station WFPL was granted a license by the Federal Communications Commission to serve the public interest as a public trustee until August 1, 2004.

Our license will expire on August 1, 2004. We have filed an application for license renewal with the FCC.

A copy of this application is available for public inspection during our regular business hours. It contains information concerning this station's performance during the last 8 years.

Individuals who wish to advise the FCC of facts relating to our renewal application and to whether this station has operated in the public interest should file comments and petitions with the FCC by July 1, 2004.

Further information concerning the FCC's broadcast license renewal process is available at 619 South 4th Street in Louisville, Kentucky...or may be obtained from the FCC, Washington DC, 20554.
