

NOTICE: 1st Quarter, Quarterly Programming Report – WGOK-AM

Station WGOK was not able to upload the quarterly issues/programs list (the “Quarterly List”) for the first quarter of 2019 due to circumstances beyond the licensee’s control. Specifically, our Community Affairs Director and our WGOK-AM Program Director, who together are responsible for compiling and completing the station’s Quarterly List and ensuring that it is completed in a timely manner, had a death in the family and the other was involved in a local court proceeding and difficult to contact. Nevertheless, the licensee completed the Quarterly List and uploaded it to the station’s online file within three days of the due date.
