|--------------------|--|
| July 9, 2020 | Michael Menzies (author of <i>Changing Lanes, Changing Lives</i>) shares his real-life story, vividly describing how he was in the fast lane of life, living dangerously, filled with anger, living ungodly, committing adultery, living a lie. He speeded excessively, endangering the lives of many. He hated his life, hated who he was, or who he thought he was. If he couldn't love himself, how could he possibly love anyone else? What Michael did not know, was that God had a plan for his life. Suddenly, his life will change forever. His spiritual awakening and his supernatural walk with the Heavenly Father will force him to make the biggest lane change in his entire life. Changing lanes saved his life. Two part interview. Encore presentation. |
| July 16, 2020 | International speaker and teacher Joan Hunter will be sharing about how she takes the "healing power of God beyond the four walls of the church to the four corners of the Earth." Her latest book, <i>Love Again, Live Again: Restore Your Heart and Regain Your Health</i> , addresses how to heal your heart from past hurts. Encore presentation. |
| August 6-7, 2020 | Greg McLain shares his story of starting a fitness routine at the age of 58. At close to 400 pounds, Greg has been terrified of getting started for about 2 years now. JoAnna will be sharing why it is important to get started as well as how simple steps turn into big leaps and beneficial results. Two-part program. Encore presentations. |
| August 13-14, 2020 | JoAnna Ward opens the program with a workout session, followed by Pastor Frederick Jones of the New Connally Drive Christian Ministries sharing about spiritual warfare and how prayer is an important part of overcoming. Two-part program. Encore presentations. |
| August 20-21, 2020 | Jamie "The Motivator" Hayes, author of <i>10 Ways to Avoid the Hype, While Living a Healthier Life</i> , shares about the importance of staying focused while working towards better health. Two-part program. Encore presentations. |
| August 27-28, 2020 | Veronica Squires and Breanna Lathrop with Good Samaritan Health Center of Atlanta share about the work of the organization. The mission of Good Samaritan is to provide families access to the full circle of healthcare and closing the healthcare gap. Two-part program. Encore presentations. |

Time For Hope

Thursdays at 11:30 a.m. on WATC. Also airing Sundays at 5:30 p.m. on WATC TOO.

Time for Hope is a weekly faith-based mental health talk and interview television show designed to help people find hope and meaning in their lives. Host and Certified Clinical Mental Health Counselor Dr. Freda V. Crews skillfully guides interactive interviews with nationally known authors, clinicians, biblical scholars and others who freely share their knowledge, expertise and life experiences to help hurting people find hope.

Friends & Neighbors

This half hour program features hosts Sherry Tatum, Sandra Onal and guest co-hosts. The series airs Monday through Wednesday at 6:30 a.m. and 4:30 p.m. and Saturdays at 8:30 a.m. on WATC and Monday through Friday at 12:30 p.m. on WATC. WATC TV 57 Original Series.

- | | |
|-----------------|--|
| July 13, 2020 | Becky Nordquist will be sharing about her new project titled <i>Before We Said Hello</i> . The project includes a 30 day devotional written to encourage and embrace those who are walking through the loss of a pregnancy or stillbirth. Encore presentation. |
| July 14, 2020 | Dorothy Spaulding, author of <i>We Walk By Faith...Not By Sight</i> , was a woman who had it all--successful business woman, writer, TV personality--and then lost it all. Facing a season of desperation, Dorothy turned back to God and went on a forty-day fast, after which the Lord led her to walk a wooden cross from Florida to DC and give God complete and total faith for all her daily needs. This would prove to be an essential lesson on faith. Encore presentation. |
| July 15, 2020 | In <i>Exposing the Spiritual Roots of Disease</i> , Dr. Henry Wright presents a thoroughly biblical and compelling case for healing. Dr. Wright clearly shows that disease is not a random occurrence and that science and medicine have their place in dealing with illness but can only offer disease management. What if the answers to true healing have been in the Bible all along? Encore presentation. |
| July 20, 2020 | In the new book, <i>Your Legacy: Designing a Life That Honors God, Blesses Others, and Brings Joy to Your Own Soul</i> , leadership expert David Hodge offers a practical guide to leaving your world a better place. Encore presentation. |
| July 30, 2020 | When it comes to running a business, the most important decisions a leader makes are not about products or locations--they're about people. For the past 33 years, Dee Ann Turner has been recruiting, training, and retaining some of the best employees in the restaurant business. Now she's ready to share her secrets on how to build, sustain, and grow an organizational culture that attracts world-class talent and consistently delights customers, no matter what your industry. Encore presentation. |
| August 10, 2020 | Jane Bishop will share about her book, <i>The Bread Box, Life by the Slice</i> , which is a guide to live life in moments. The "bread box" idea was triggered by a story from her teen years and a reflection on her life "one slice at a time." Jane Bishop is founder and CEO of Take the Next Step which emerged out of her passion to help others "go for their It." Her business offers coaching, consulting, and training services that empower individuals, groups, and organizations by helping them align with their inner core for success. |
| August 11, 2020 | Ann Marie Hancock is an award-winning journalist, radio personality and talk show host who has interviewed many famous people. Some of her favorites are Alan Alda, Minnie Pearl and Eva Gabor. She has appeared on <i>Bertice Berry</i> , <i>Rolanda</i> , NBC's <i>The Other Side</i> , <i>The Angel Show</i> , and <i>Inside Edition</i> . Her newest book, <i>You Can't Drive Your Car to Your Own Funeral</i> , is an honest and unique book that looks at the challenges of guardianship and cancer. Written with deep spiritual insight that can only be cultivated through adversity, and tempered with humor, this book traverses the difficult passage of end-of-life caregiving and the challenges and joys that accompany it. Encore presentation. |
| August 20, 2020 | Drug dealer to undercover narcotics cop to preacher of the gospel — Dr. Brian Adams' testimony has it all. Although he grew up in a Christian home, he only had been taught the Word of God void of power, and in his teens he rebelled, slipping into drugs, alcohol and sex. At age 25, as he was contemplating suicide, he surrendered his life for the second time since childhood to God and put his knowledge of the drug trade to good use by becoming a member of the local SWAT and Narcotics teams. Encore presentation. |
| August 21, 2020 | If you or someone you know is faced with grief as a result of difficult circumstances—divorce, cancer, death of a loved one, etc.—then join Rhonda Robinson on a journey toward restoration. Unlike other books on grief and loss, <i>FreeFall</i> doesn't just want you to |

understand your grief; it seeks to offer you unshakable truth to use in a time of profound change in order to emerge a different, restored person. Encore presentation.

Through experience, mistakes and the guidance of friends, Marty and Gerard learn the moral lessons needed to make the right choices. E/I age group 6-9 years old.

Dragonfly

Dragonfly TV is a weekly half-hour science television series that meets the educational and informational objectives of the FCC's Children's Programming requirements for children ages 13-16. The programs highlight children "doing" projects with real hands-on experience and demonstrates practical applications of mathematics and science. It introduces young viewers to a variety of scientific disciplines and challenges them in critical thinking and problem solving skills, while providing valuable information to reach answers. Each episode is engaging, entertaining and educational in structure, allowing children to investigate science on their own.
