Prior to joining MAP International, Steve held executive-level positions with nonprofits including Child Fund International, ChildHelp, WorldVision US and corporations such as Bristol-Myers Squibb, Conagra Foods, AmeriTrade and Univera Life Sciences. Steve saw the opportunity to live out his faith through his work by joining MAP International. He dedicated his life to bringing critically needed medicines and health supplies to some of the world's poorest people, so that no child suffers the same fate that he did simply because of a lack of access to medicine. God redeemed every experience in Steve's life, even polio, to prepare him for his role at MAP International. He is particularly motivated by Jesus's words in Matthew 25:36, "I was sick, and you looked after me." Steve has written a book entitled *The Crutch of Success*.
