**Quarterly List of Programming Responsive to Issues of Community Concern
First Quarter 2013
April 10, 2013**

In our ongoing effort to serve the public interest, WDJX-FM broadcasts programming responsive to issues of concern to Louisville and its listening public. The following is a brief description of those issues and of the station's most significant programming treatment of them:

Issues of importance this quarter included the following:

Charitable Events: WDJX supported many charitable efforts in the first quarter, including supporting the Raisin the Rent party for the St. John's Center helping area homeless men. We also continued our support of Kosair Children's Hospital with a Super Sweet 16th Birthday party for local cancer patient, Andrew Holland, and raised funds for Kosair at the event.

Children Issues: We once again supported *IHOP's National Pancake Day* to raise money for Kosair Children's Hospital. And WDJX personalities continue the tradition of promoting literacy and reading programs with school visits.
