Dear Mr. Pila:

We have completed our review of the response of Indiana Broadcasting, LLC ("LIN"), licensee of the above-referenced station, to the February 26, 2013 random audit letter sent to it in accordance with the provisions of 47 C.F.R. § 73.2080(f)(4) of the Commission's Equal Employment Opportunity (EEO) rules. As a result of our review, we find that no further action is required. In accordance with Section 73.3526(e)(10) of the Commission's rules for commercial stations, or Section 73.3527(e)(11) for noncommercial stations, the licensee must place copies of this letter, our February 26 audit letter, and its audit response in the public inspection file of the station. These materials must remain in the file until grant, by final order, of its next renewal application for the station.

Additionally, pursuant to Section 73.3526(e)(10) of the Commission's rules for commercial stations or Section 73.3526(e)(11) for noncommercial stations, the licensee must upload copies of this letter, our February 26, 2013 audit letter, and its audit response in the station's online public inspection file. These materials must remain in the online public file until grant, by final order, of its next renewal application for the station.

Should you have any questions concerning this matter, you may contact Rod Royse of the EEO staff at (202) 418-1450. Thank you for your cooperation.

Sincerely,
