## Quarterly Issues and Program List

56.1	Education	6:00pm	4/1/2017	1 minute	KETK News at 6	One librarian at White Oak ISD is currently a finalist for a National Award. Michelle Cooper, the middle school librarian has been nominated by the American Association of School Librarians for a social media superstar award. This award honors librarians who use social media to further the learning for students. Cooper is one of the three finalists and she tells KETK News that she is honored to have a job where she can make a difference.
56.1	Economy	5:00pm	4/1/2017	1 minute and 30 seconds	KETK Live at Five	Christus Trinity Mother Frances Hospital is expanding their facility to include a new garage and emergency care center. A ground-breaking ceremony was held at the hospital Monday. They announced the construction of the garage on Dawson Street. Once completed, they plan to demolish the existing parking garage and build a state-of-the-art emergency care center. The President of the hospital says this is to help the growing number of emergency care patients and also jobs for the local economy. Chris Glenney, CEO, says that they are one of the largest employers in the area and this expansion will allow them to provide more jobs for East Texans.

## Quarterly Issues and Program List

56.1	Health	11:00am	4/3/2017	1 minute and 25 seconds	East Texas Live	<p>The Robert Wood Johnson Foundation recently released its County Healthy Rankings list. Smith County ranked 85<sup>th</sup> out of 243 counties. Net Health Executive Director George Roberts said the obesity rate is growing was too fast. Roberts says that what happens when people are obese it basically creates all kinds of other problems: Diabetes, joint problems, cancer, and cancer among other things. He said nothing good comes from obesity. KETK visited UT Health Northeast to hear how they can help with the obesity epidemic in East Texas. Jeffrey Levin, M.D., Senior Vice President for Academic Affairs at UT Health Northeast says that they more you can work on changing the epidemic of obesity in the long run, the better off you'll be in terms of the worst outcomes that are occurring as a result.</p>
56.1	Crime/Law Enforcement	11:00am	4/3/2017	50 seconds	East Texas Live	<p>One person is shot, plus another one is on the run following a robbery attempt. It happened at the Boost Mobile Store off of Grand Avenue. Police say a black male entered the store an attempted to rob the business. A business owner at a nearby store heard what was going on and armed himself and then went in to intervene. However, when the businessman entered the store a shootout began. The businessman was hit, while the robber fled the scene.</p>

## Quarterly Issues and Program List

56.1	Economy	11:00am	4/4/2017	1 minute	East Texas Live	The organization, Casa, is preparing for their annual fundraiser tonight at Green Acres Baptist Church in Tyler. The program serves as an advocate for neglected and abused children.
56.1	Public Safety	11:00am	4/4/2017	1 minute and 15 seconds	East Texas Live	It's a good time to remember the rules of safety when in the water. With the recent warm weather and summer approaching, we spoke with a lifeguard instructor to get some tips on staying safe in the water this spring and summer.
56.1	Local Government & Politics	5:00am	4/4/2017	1 minute and 30 seconds	KETK Today	A long-time Gregg County Judge is stepping down from the bench when his term ends in 2018. Judge David Brabham has served 21 years behind the bench. We sat down with him and people knew him to see how he impacted our community.
56.1	Crime/Law Enforcement	11:00am	4/4/2017	1 minute and 10 seconds	East Texas Live	The Upshur County Sheriff's Office is investigating its second homicide of the past week. Shortly after midnight, the Sheriff's Office responded to a call of a shooting on a private road in Union Grove. When deputies arrives, they found 23 year-old Miranda Streed dead. An autopsy has been ordered. No other information has been released as of news time. KETK will continue to follow this story and bring you more information. Upshur County authorities are asking anyone with information to contact them.

## Quarterly Issues and Program List

56.1	Education	11:00am	4/5/2017	1 minute and 25 seconds	East Texas Live	Many of us say we are always learning, or always a student. This is true for a nurse practitioner in San Augustine, who just completed her doctorate of nursing practice at the age of 71. Janice Napier has been in nursing since the mid-sixties, and she has a plethora of degrees and certifications since first attending Nacogdoches Memorial Hospital School of Vocational Nursing, in 1966.
56.1	Economy	5:00pm	4/5/2017	2 minutes	KETK Live at Five	A new Walmart held its Grand Opening in Tyler off Highway 31 on Wednesday. The store manager says this is a great addition to the city that will also create a lot of jobs to help boost the Tyler economy. The new store will employ up to 300 full-time associates according to the company.
56.1	Crime/Law Enforcement	11:00am	4/5/2017	1 minute and 5 seconds	East Texas Live	Kilgore Police are investigating after one woman was found dead and a man was found severely injured. According to Kilgore Police they responded to a house on Leake Street Monday night because of a report of a man arguing with a woman who then dragged her into the house. When police arrived at the scene, they found the woman dead with a cut to her neck. The man was still alive but had a cut to his wrist and neck, and several stab wounds. He was taken into surgery.

## Quarterly Issues and Program List

56.1	Education	5:00pm	4/6/2017	1 minute	KETK Live at Five	Faith leaders in Tyler are backing the Tyler Independent School District's bond proposal. In February, the Board of Trustees voted unanimously to call a bond election this May. The almost \$200 million dollar package would fund renovations to both John Tyler and Robert E. Lee High Schools. They believe the bond is good for all of Tyler for not only the students, but good for local government and the community.
56.1	Economy	5:00pm	4/6/2017	1 minute and 30 seconds	KETK Live at Five	Wednesday KETK brought you a story that Tyler is growing while also becoming younger. On Thursday, the Tyler Area Chamber of Commerce Investors Luncheon discussing these findings. During 2016 more than 200 new jobs opened in Tyler while retaining more than 1500 jobs. During the event, Texas State Demographer Lloyd Potter gave his thoughts and findings about Tyler's growth not only in population, but in money coming into the area. With the population growth, the city needs to anticipate road congestion. Lloyd also said that Texas is growing faster than any state in the nation.

## Quarterly Issues and Program List

56.1	Health	10:00pm	4/6/2017	3 minutes	KETK News at 6	<p>We told you a few weeks ago about our Chief Meteorologist, Scott Chesner, and his absence from work due to Bell's Palsy. Last week we explained what the condition is: Paralysis of the nerves that control one side of the face and the cause is unknown. Scott is now back to his old schedule tonight while Marcus has some time off. Scott says he is eager to be back full-time but is continuing to take each day as it comes. Bell's Palsy refers to paralysis of the nerves that control one side of the face. Dr. Gerald Brown from UT Health North East says that about 7 to 10% of individuals with Bell's Palsy may have a re-occurrence. He also says around 75% recover completely with no problems afterwards. Scott says that anyone experiencing a health issue should remember how important it is to stay positive and remain confident throughout the process.</p>

## Quarterly Issues and Program List

56.1	Health	6:00pm	4/7/2017	2 minutes and 40 seconds	KETK News at 6	<p>An East Texas teen is home bound after she says she was exposed to black mold without her knowledge. Now she needs help to get the treatment to save her life. After a seizure in 2015 while running a cross country meet, she has numerous tests and hospital visits to try and find a diagnosis. It wasn't until February of 2016 when she found out she had toxic levels of black mold in her system. After the diagnosis her Doctor suggested she stop going to school. However, the school ran tests and determined they had tests that concluded the school was free of black mold. She is now trying to raise money so she can use a hypobaric chamber that can rid the body of black mold since her insurance doesn't cover the procedure.</p>
56.1	Education	6:00pm	4/10/2017	1 minute	KETK Live at Five	<p>One teen from Douglass, between Nacogdoches and Alto, has a reason to be excited. He just signed a fishing scholarship for a school in Illinois. Joseph Bruener from Douglass High School will be attending McKendree University. Growing up he spent many hours fishing. During High School, he competed in several fishing tournaments, and even has a state title to his name. About a year ago he met with the school's recruiter and knew that is where he wanted to be.</p>

## Quarterly Issues and Program List

56.1	Economy	5:00am	4/10/2017	50 seconds	KETK Today	As lawmakers hash out the state budget for the next two years, a lot of the focus is on the classroom. Representative Dan Huberty, who chairs the House Public Education Committee, says if his school finance reform bill does not pass, local property taxes will skyrocket and some schools may even close. The bill calls for increasing the amount of money the districts get to spend on each student. The plan will also spend \$1.6 billion dollars of state money to make up the difference for poor districts. However, the plan could face a tough road ahead.
56.1	Economy	5:00am	4/10/2017	1 minute and 10 seconds	KETK Today	Visit Tyler, held its first ever Hit the Bricks event in downtown Tyler Saturday night. In order to draw more people in, every second Saturday they will have entertainment, food, tours and more. They're working to help promote businesses downtown like the East Texas Brewing Company. Vendors are excited to see the downtown community grow. Visit Tyler says they're working to bring not only locals, but more tourists in as well.

## Quarterly Issues and Program List

51.6	Local Government & Politics	11:00am	4/10/2017	1 minute	East Texas Live	Senator Ted Cruz's competitor for the 2018 Senate seat is already making campaign stops in East Texas. Beto O'Rourke spoke to around 100 people at the Democratic Women of East Texas meeting. He says he plans on challenging Senator Cruz in hopes of adding, what he says is a missing voice in the political world. He said he wants to give a voice to those democrats in East Texas and he is throwing away the traditional playbook.
56.1	Public Safety	5:00am	4/11/2017	1 minute and 50 seconds	KETK Today	Most people have heard of House Flipping, but have you heard of Dog Flipping? It was a Craigslist advertisement that drew the Boyd's attention. They bought their dog, Maverick, on the site for \$150 dollars, but because it was such a deal they never thought about the seller being a dog flipper. A dog flipper is someone who collects dogs for free or cheap and with no regard to his or her health. They collect them on the pretense of giving them a permanent home and then turn around and put them up for sale merely to make money. Doctor Gary Spence, says dogs are being taken in as commodities, and he says they only way to stop it from happening is to continually watch for this activity, and continually expose what is done.

## Quarterly Issues and Program List

56.1	Public Safety	10:00pm	4/11/2017	1 minute and 20 seconds	KETK News at 10	Thirty different police agencies around East Texas had a training day on Tuesday. It took place at the Smith County Peace Officer Training building in Tyler. Texas Rangers trained 130 officers on proper procedures for shooting investigations. Smith County Sheriff Larry Smith says this training is important not only for law enforcement safety, but for the safety of the public.
56.1	Local Government & Politics	5:00am	4/11/2017	1 minute and 20 seconds	KETK Today	The Texas Senate is expected to take up a bill this week that would make texting and driving illegal statewide. This is the fourth time lawmakers have attempted to pass this. State Senator Donna Campbell says switching teams on SB-31 hits at a personal level. Campbell wants her daughter to know texting is illegal. Campbell who strongly opposed a statewide texting ban while driving in 2015 saying it was infringing on Texans rights, now says she supports it. Campbell joins two others Senate colleagues to change their vote from No to Yes, which is good news for the Bill's author, Democrat Senator Judith Zaffirini. At the moment, Texas is one of four states that do not have a statewide ban on texting and driving.

## Quarterly Issues and Program List

56.1	Health	11:00am	4/11/2017	3 minutes	East Texas Live	KETK sat down with a local Doctor to speak about their Walk with a Doc program. Walk with a Doc is a walking program for everyone interested in taking steps to a healthier life. While you walk, you are able to have questions answered by a local physician. Walking has great benefits. It is low-impact, easier on the joints than running, and it is safe.
56.1	Education	5:00am	4/12/2017	1 minute	KETK Today	Longview High School is giving interested students the option to work on a car and get credit for class. The Automotive Repair Program is a portion of the high schools tech prep dual credit course. The class competes in Skills USA competitions and this past weekend the auto-shop competitive team made the top five at the state meet. Whether they are learning from books in the classroom, or learning hands-on, it's a team effort.
56.1	Education	5:00am	4/12/2017	1 minute	KETK Today	Angelina County is offering classes to become a professional truck driver. The program will allow students the chance to get their commercial driver's license. It will last six weeks and have hands-on training inside a truck along with classroom training. The college will have an information session in two weeks to get the word out about the course. The session will be held on April 25 <sup>th</sup> from 5:00pm-6:30pm in the community services building on campus.

## Quarterly Issues and Program List

56.1	Local Government & Politics	5:00pm	4/12/2017	1 minute and 10 seconds	KETK Live at Five	Tyler City Council has approved a loft project for the downtown area. The commercial and retail space will be on North Bonner Avenue, across from City Hall. It will include almost one hundred lofts. The developer of the project says it will be very similar to what you would see if you were walking the street in New York. This project will put ten million dollars into the downtown area. He adds that their time table going forward is to start construction on the building within the next year.
56.1	Crime/Law Enforcement	5:00am	4/12/2017	50 seconds	KETK Today	Continuing coverage on the man Nacogdoches County officials say is connected to a murder. Sheriff Jason Bridges says they found the man connected to a murder around 6:30pm Monday night. They found 54 year-old, Lester Butcher, in the woods and arrested him. According to authorities, deputies responded to a welfare concern on County Road 817 on Sunday morning when they found a man dead inside a house. Deputies believe he had been murdered and then ID'd Butcher as the suspect.

## Quarterly Issues and Program List

56.1	Public Safety	10:00pm	4/13/2017	3 minutes	KETK News at 10	Two people were killed in a Wednesday night accident involving three cars on Toll 49. This is just one of many accidents that have happened over the last few years. This afternoon, NET RMA held a news conference to talk about some safety improvements to the highway. Some of the proposed changes include: implementing safety improvements to several segments of Toll 49. They're also widening the road from US-31 to I-20. They are also considering lowering the speed limit.
56.1	Health	5:00pm	4/17/2017	1 minute and 15 seconds	KETK Live at Five	New studies show tattoos are affecting sweat glands. A dermatologist who does tattoo removal says that the needle and ink of a tattoo goes deeper than just the surface level. The ink is dyed under your skin at the same level of your sweat glands. A new study is suggesting those sweat glands become damaged by tattooing, making your sweat fifty percent less in tattooed areas. Dr. Holdman says one or two tattoos won't make too big off a difference, but it could be a problem for people who have large tattoos or tattoo sleeves.

## Quarterly Issues and Program List

56.1	Crime/Law Enforcement	5:00pm	4/17/2017	1 minute	KETK Live at Five	Longview Police need your help identifying six people involved in an April home invasion. Armed robbers forced their way into a home on Longmorn Drive the morning of April 11 <sup>th</sup> . The robbers held up two people, who were able to give descriptions of the robbers. Longview Police are not only looking for the people involved in this crime, but telling people if they see something, say something. Police believe the vehicle they were using is a 2000 model Chevy Tahoe or Suburban, either silver, gold, or pewter colored.
56.1	Crime/Law Enforcement	10:00pm	4/17/2017	1 minute	KETK News at 10	New dashcam video released in a car chase in Longview. Kenneth Mestas is behind bars following a car chase reaching speeds up to 100 miles per hour. The chase began last Wednesday on Highway 80, and ended when the person police were chasing hit another vehicle near the Longview ISD Athletics Department complex. He is being charged with assault causing bodily injury, evading, manufacture delivery of a controlled substance and unlawful restraint.
56.1	Education	5:00am	4/18/2017	50 seconds	KETK Today	Kilgore College has announced it would be adding new meal plan options for students attending classes for the summer and fall semesters. The additional plans will include a \$75 dollar spike in summer tuition, but it will keep the cafeteria open every day of the week.

## Quarterly Issues and Program List

56.1	Health	5:00am	4/18/2017	1 minute and 30 seconds	KETK Today	<p>A recent report done by the State of Texas, says there is a mumps outbreak in some public schools. The illness causes fever and malaise and muscle aches in glands around the neck. We are only vaccinated twice in our lifetime for mumps, and both vaccinations take place before the age of 4. Those at Longview ISD suggest the effort starts with the school system. The Assistant Superintendent, at Longview ISD says students cannot enroll until they have received those clearances from having immunizations. The amount of student's cannot enroll until they have received those clearances from having immunizations. The amount of unvaccinated students walking the halls of schools is a growing trend, so he says it is very important that nurses inside the school are a key part in keeping up with the numbers.</p>
56.1	Crime/Law Enforcement	6:00pm	4/18/2017	50 seconds	KETK News at 6	<p>Developing story out of Gladewater this morning. Police are searching for someone who shot a man in the neck. Around 11am this morning, Gladewater Police received reports of a shooting. When they arrived at a house on North Street, they learned a man had been shot. He then walked to a family member's home and called 911. His condition is unknown as of news time.</p>

## Quarterly Issues and Program List

56.1	Public Safety	5:00pm	4/19/2017	1 minute and 10 seconds	KETK Live at Five	Tyler Junior College Fire Academy had its live fire training today. Cadets were put in a mock rescue situation with real flames and smoke. The exercises test for not only knowledge and skill, but for teamwork and strength under pressure. This is an important chance for cadets to prove that they have what it takes to be a real firefighter and they can deal with the pressure of keeping the public safe. The trainees that make it through this week will go on to become firefighters across East Texas.
56.1	Local Government & Politics	6:00pm	5/2/2017	1 Minute	KETK News at 6	White Oak will be voting on many things this weekend. One of the major topics on this year's ballot will be to allow off premise alcohol sales into their city. Should it be approved, it would allow for beer and wine sales only by local stores should they choose to carry. Early voting received around 800 votes and the city expects that number to climb increasingly this weekend.
56.1	Local Government & Politics	10:00pm	5/2/2017	1 Minute	KETK News at 10	Early voting is underway in Kilgore for the Mayoral race. Current Mayor Ronnie Spradlin is seeking re-election. He's challenged by Precinct Four Councilman Victor Boyd. We asked each of them how their previous experiences prepare them for the role of Mayor. The election is Saturday May 6 <sup>th</sup> .

## Quarterly Issues and Program List

56.1	Education	10:00pm	5/2/2017	3 Minutes	KETK News at 10	Saturday is election day and many schools in East Texas have bond proposals. Mineola is one of those schools and they are asking for \$41 million dollars for improvements. Parents we spoke too say they want it to pass, but unsure what the outcome will be. While some residents want the upgraded facilities, some people aren't okay with the \$35 a month tax increase.
56.1	Crime/Law Enforcement	11:00am	5/3/2017	50 Seconds	East Texas Live	Longview Scrap Yard Owners and an air conditioning contractor say they've seen recent thefts, although they believe it's not for the copper inside. They say it's to re-sell the entire unit. One company says he's replaced four stolen units in Longview in less than three months. Longview Police say it isn't uncommon to see these crimes closer to summer months and to please call them if you see anything suspicious.
56.1	Education	11:00am	5/3/2017	55 Seconds	East Texas Live	Jacksonville High School held a ceremony Tuesday to honor one of their seniors. Jacob Maldonado recently received a letter of acceptance into the U.S. Naval Academy. With an average of a 9% acceptance rating, it was not an easy task. He was also given a Texas flag that flew over the State Capitol.

## Quarterly Issues and Program List

56.1	Government & Local Politics	11:00am	5/3/2017	1 Minute and 25 seconds	East Texas Live	More than two dozen people became U.S. citizens this morning. The ceremony was held in Downtown Tyler. It was a joyous ceremony for the people attending, who now have all the rights as an American citizen. More than 30 people were granted citizenship.
56.1	Public Safety	6:00pm	5/3/2017	1 Minute	KETK News at 6	After a recent incident in Dallas, Tyler Fire Department is seeking new ways to stay safe. In an effort to do this, Tyler Police has given the department bullet proof vests to use in dangerous situations. The vests will primarily be worn in active shooter situations and other high danger scenarios. While the new vests may not be a foolproof plan, it will help keep firefighters safer.
56.1	Education	6:00pm	5/3/2017	1 Minute	KETK News at 6	The White Oak School District gave residents three opportunities to see first-hand some of the improvements a new bond will address. Replacing roofs and windows as well as improving the science wing and the field house. Signs all across the city either focus for it or against it and White Oak Superintendent Mike Gilbert says you will have your chance to vote this Saturday.

## Quarterly Issues and Program List

56.1	Public Safety	10:00pm	5/3/2017	1 Minute	KETK News at 10	Sheriff Greg Sanches in Angelina County is trying to bring attention to a man-power issue in his department. His hope is to have more deputies and pay them well. He has been using social media to shed light on this situation, saying the department has been underpaid and understaffed for more than 20 years. His proposal would be to add at least five more deputies, and increase their ability to advance their careers. He went on to say this is needed for the amount of crime his office responds to in order to keep residents safe and sound.
56.1	Public Safety	10:00pm	5/3/2017	3 Minutes	KETK News at 10	One local school district is making sure they're prepared to keep students and faculty safe from anything mother nature throws their way. The national Weather Service is recognizing them for it too. Troup ISD is one of three school districts in the state to be storm ready certified.
56.1	Education	10:00pm	5/3/2017	3 Minutes	KETK news at 10	In Jacksonville, the district is trying to encourage the community to approve the JSID Tomato Bowl Bond so their stadium can be improved. It is more than 70 years old and a trademark to the town of Jacksonville. The stadium had its last renovations in 1980. The solution is a \$15 million dollar Tomato Bowl bond.

## Quarterly Issues and Program List

56.1	Public Safety	11:00am	5/4/2017	1 Minute	East Texas Live	The Wood County Fire Marshall is asking people to sign up for their Code Red system. It's an emergency program that alerts residents of severe weather. The program started in January of this year and since then only 64 people have signed up. You have to go online to sign up but it is free. After recent tornado outbreaks, Wood County officials feel the alert program is beneficial for the safety of citizens.
56.1	Crime/Law Enforcement	11:00am	5/4/2017	55 Seconds	East Texas Live	Tyler Police need your help finding a man they say robbed a gas station this morning. A man entered a store on Old Bullard Road and held the clerk up at gunpoint. The clerk ran away and called police. The thief is described as a black man around 6 ft. tall who was last seen wearing a dark hoodie and dark pants.
56.1	Economy	5:00pm	5/4/2017	2 Minutes	KETK Live at Five	If you were in Gilmer today, you may have seen a little more Toyota's than usual. That's because it's time for the Lone Star Toyota Jamboree. People from all over the country met in Gilmer on Thursday to show off their Trail Toys as they like to call them. While everyone is having fun, they say the purpose is to give back to keep certain organizations going so that everyone can come out next year and do it all over again. The Jamboree is the 3 <sup>rd</sup> largest economical boost the city of Gilmer sees throughout the year.

## Quarterly Issues and Program List

56.1	Local Government & Politics	10:00pm	5/4/2017	3 Minutes	KETK News at 10	Congressman Louie Gohmert has come out in support of the Health Care Bill after changes have been made. He said the last bill didn't really repeal anything of Obamacare, but gave more power to the Health and Human Services Department in hopes they would repeal it administratively. The new amendment that is re-igniting the health care bill would allow states to obtain a waiver, which allows them to opt out of the mandated coverage points. However, states would have to set up a high-risk pool to protect those with preexisting conditions.
56.1	Health	10:00pm	5/4/2017	3 Minutes	KETK News at 10	The City of Tyler is known as a medical hub for East Texas, with three major hospitals that are constantly growing. But some parents with sick children say pediatric options in the area are limited forcing them to drive two to four hours to get the care their children need. UT Health Northeast offers general pediatric services and specializations in pediatric pulmonary care, allergy services and psychiatry. UT Health Northeast says the ability to expand services are driven by educational opportunities. Hospitals leaders in Tyler are hopeful for future expansion, but until then families wait.

## Quarterly Issues and Program List

56.1	Economy	11:00am	5/8/2017	50 Seconds	East Texas Live	Gander Mountain isn't going out of business yet but according to management, Gander Mountain was bought by Camping World Holdings. The first step in the restructuring process is liquidation. Original reports said the buyout would allow 17 Gander Mountain stores to stay open. According to Camping World, that isn't true. There will be quote, "A lot more than 17" staying in business.
56.1	Health	11:00am	5/8/2017	1 Minute and 25 seconds	East Texas Live	Statistics show Crossfit is one of the biggest fitness trends in the world, and according to the company, there are more than 10,000 gyms in more than 120 countries. Here in East Texas, there are many Crossfit gyms, but one in particular is not your average place to pump iron. They use a barn and the equipment in it to do crossfit and stay healthy.
56.1	Crime/Law Enforcement	11:00am	5/9/2017	5 Minutes and 25 seconds	East Texas Live	This week KETK will be bringing back to light multiple missing person's cases in our area. Speaking with those who saw the case unfold, and hearing from family members. Our first case is that of Kelly Wilson who disappeared in 1992, a case that put the city in the national spotlight. Kelly Wilson was last seen leaving a video store where she worked, in downtown Gilmer and never returned home.

## Quarterly Issues and Program List

56.1	East Texas Live	11:00am	5/9/2017	1 Minute and 34 seconds	East Texas Live	Texas Attorney General Ken Paxton was in Tyler speaking at a grassroots event about the lawsuit filed Monday. It wants to make banning sanctuary cities constitutional. Senate Bill 4, signed by Governor Abbot Sunday night requires all Texas Law Enforcement agencies to hold arrested persons until their immigration status is checked with ice.
56.1	Economy	11:00am	5/9/2017	55 Seconds	East Texas Live	More than 60 businesses gathered in Longview for an Expo this morning. The event is aimed to promote networking here in East Texas and for people to learn about business. Classes were also held to teach new techniques to apply to business, and receive feedback. Keeping entrepreneurs in the city is another way Expo's like this are beneficial because it contributes to the economic growth in Longview.
56.1	Economy	5:00am	5/10/2017	40 seconds	KETK Today	Gregg County inked its approval for a major highway improvement project for Precinct 2. The more than \$40 million dollar investment project will look to widen Farm to Market Road 2206, also known as Harrison Rd. This connects the Loop to Highway 42. The project will widen the road from two to four lanes, making it easier to get to I-20 for residents in West Longview.

## Quarterly Issues and Program List

56.1	Education	5:00am	5/10/2017	50 Seconds	KETK Today	Bills to reform the state's school finance system is stuck in legislative limbo. Those key proposals could impact property taxes and how much money public schools get from the state. The Senate's Bill to fix the school finance system is dying according to the author, and he is now planning on working on the house side of the bill. There are less than 3 weeks to go this session.
56.1	Public Safety	11:00am	5/10/2017	50 Seconds	East Texas Live	The University of Texas at Tyler will hold a Human Trafficking Awareness discussion this evening. It starts at 6pm at UT Tyler. The discussion will address the epidemic of domestic teen sex trafficking in East Texas. The panel will include experts in the field of human trafficking along with law enforcement and health care officials.
56.1	Health	11:00am	5/10/2017	1 Minute	East Texas Live	The process for parents to opt out from getting their children immunized, could soon become easier, and some school nurses say they don't agree with it. If passed, House Bill 1124 will allow parents to write a note to the school opting out. This, instead of requesting a special form from the state that needs to get notarized.

## Quarterly Issues and Program List

56.1	Education	5:00am	5/15/2017	1 Minute and 20 seconds	KETK Today	A Grand Saline High School Senior graduated from Tyler Junior College Friday morning. She graduated college before she graduated high school. Kenzie Gardner, learned dual credit classes were an option and that is was possible to graduate with an Associate's Degree and immediately accepted the challenge. She balanced academics and extracurricular activities and will graduate from Grand Saline High School and she plans on attending the University of Houston.
56.1	Health	10:00pm	5/15/2017	3 Minutes	KETK News at 10	East Texans are trying to get the word out about a rare disease involving the nervous system and they are making progress. One on three thousand people in the U.S. have Neurofibromatosis. This Saturday, East Texans affected by the disease are raising money for the Children's Tumor Foundation by holding a bake sale at Smoothie King where a proclamation will be read, recognizing May as Neurofibromatosis Month. They hope to raise \$5,000 dollars. In addition to raising awareness, they want to help fund research and ultimately a cure.
56.1	Crime/Law Enforcement	5:00pm	5/15/2017	1 Minute	KETK Live at Five	East Texas native and recent NFL draft pick, Patrick Mahomes was robbed over the weekend. Mahomes said he was robbed by four men at gunpoint. Deputies were able to locate the person's car and arrest two people in relation to the incident and thankfully nobody was hurt.

## Quarterly Issues and Program List

56.1	Crime/Law Enforcement	5:00pm	5/15/2017	1 Minute	KETK Live at Five	Military grave markers were stolen from an East Texas cemetery. Upshur County Sheriff's Office were recently informed of five brass military grave markers being stolen from the Zion Hill Cemetery. Each one has their individual service record on them. If you have any information, please call the Upshur County Sheriff's Office.
56.1	Public Safety	5:00am	5/16/2017	50 Seconds	KETK Today	A Longview intersection has left multiple people seriously injured and one person dead. It has now caught the attention of city and state officials. The intersection is at West Marshall Avenue and Enterprise Street. Since January of this year there have been four wrecks at the intersection with serious injuries and even death. The city is now coordinating with TXDOT to look at the intersection, and analyze traffic data and figure out the best way to improve safety.
56.1	Local Government & Politics	5:00am	5/16/2017	1 Minute and 20 seconds	KETK Today	The Texas Legislature approved a bill to lower the license to carry fees in Texas. Texas has one of the highest fees in the nation. The bill changes it to have one of the lowest. The license fee is currently \$140 in Texas and the bill will lower that to \$40 dollars.

### Quarterly Issues and Program List

56.1	Health	5:00pm	5/16/2017	1 Minute and 30 Seconds	KETK Live at Five	For many people an I-Pod is a great way to carry your music on the go. Abor Grace Skilled Nursing and Rehabilitation Center is helping their residents listen to music from their past. They have received 15 grant-funded I-Pod Nano's that staff members can personalize for their residents. By doing this they are hoping to create a memory that bridges the back to the residents past.
56.1	Crime/Law Enforcement	5:00pm	5/16/2017	1 Minute	KETK Live at Five	A Longview Middle School student was arrested this morning after he reportedly brought a gun to school. The student didn't make any threats. The student was found to be in possession of marijuana as well. He was taken to the City's Juvenile Facility where he will wait for his arraignment. Police say this serves as a reminder that is you see something, say something.

## Quarterly Issues and Program List

56.1	Economy	5:00pm	5/16/2017	2 Minutes	KETK Live at Five	The City of Tyler is planning their budget for the next fiscal year. They are sharpening their pencils since sales tax revenue has dropped. Retail contributes almost 50% of sales tax revenue for the city and it's down nearly 2%. The City's Chief Financial Officer says that one of the reasons may be due to the decline from the Oil and Gas Industry, along with online shopping. One department hit hard is Parks and Recreation who are now in a hiring freeze. The City will have its first public meeting for the new budget around August and hopes their planning can help create positive changes for the city.
56.1	Economy	5:00pm	5/17/2017	1 Minute	KETK Live at Five	Earlier this afternoon the Tyler Mayor hosted a luncheon with the community and local businesses. More than five hundred people were there for the State of the City of Tyler. Local small business owners gathered to hear how their city has improved economically and with new projects coming to the city. Such as new sidewalks, roads, new restaurants, hospitals, and lots of city growth according to several councilmen.

## Quarterly Issues and Program List

56.1	Crime/Law Enforcement	5:00am	5/18/2017	1 Minute and 40 seconds	KETK Today	A hectic morning at game rooms across Tyler as multiple law enforcement agencies delivering search warrants to confiscate what they say are illegal gambling machines. Officers took computer towers and cash. Tyler Police and Smith County Sheriff's Office had previously sent warning letters to the businesses suspected of operating illegal gambling machines.
56.1	Economy	5:00am	5/18/2017	50 Seconds	KETK Today	White Oak ISD have outlined their project timeless after voters approved a \$19 million dollar bond package. The district will begin selling bonds over the summer and construction will start later this year. Projects include: \$6 million to replace roofs at all the schools. \$1 million to install a new elevator and improve science labs at the middle school, and almost \$3 million to build a new field house.
56.1	Health	5:00am	5/19/2017	1 Minute and 20 seconds	KETK Today	Cook Children's Medical Center in Fort Worth has been getting many requests for care in East Texas, leading them to open a specialized clinic in Tyler. They are offering a wide range of specializations. For immediate needs, they can still see Doctor's through their Telemedicine program.

## Quarterly Issues and Program List

56.1	Public Safety	5:00am	5/23/2017	50 Seconds	KETK Today	The water boil notice in North Tyler continues as the city works to keep the water clean. The newest measure the city is taking is to switch from the weaker chloramine to stronger chlorine. This is being done, along with flushes to the system to bring chlorine levels to acceptable standards. Free bottled water will be offered both at the utilities office and the Tyler Police.
56.1	Health	5:00am	5/23/2017	1 Minute and 25 seconds	KETK Today	There's a new virus to be aware of and it's transmitted by people infected by ticks. Infectious disease expert Richard Wallace says it's only a matter of time before it hits East Texas. Powassan, or POW virus is carried by the black-legged tick, the same one that carries Lyme disease and that's already here. It is important to protect yourself: Cover up, and use tick repellents. The goal is to remove the tick as quick as possible if you find one on your body.
56.1	Crime/Law Enforcement	5:00am	5/23/2017	1 Minute and 20 Seconds	KETK Today	The Auto Theft Taskforce is warning residents about buying cars online. They say several cars being bought are stolen. The taskforce has recovered ten stolen vehicles in the Tyler area. People who buy stolen vehicles will be out of luck when police find the car. The car will be returned to the original owner. The taskforce is warning the public to be extra careful when purchasing a car online from a private seller. They say to be sure to check the title carefully.

## Quarterly Issues and Program List

56.1	Local Government & Politics	5:00am	5/25/2017	50 Seconds	KETK Today	Angelina County Court Commissioners approved a contract in support of a marijuana eradication program. This means helicopters will do routine flyovers searching for pot growers. The DEA gives local agencies money to conduct these types of patrols.
56.1	Education	5:00am	5/25/2017	1 Minute and 30 seconds	KETK Today	Lindale High School's UIL Academic Team took home first place at the State Championship in Austin. There are 29 academic categories and Lindale competed in Speech and Debate, Journalism, and Computing events. They went up against 240 schools. The Superintendent says people forget that they are one of the smallest schools in the 5A division, so for them to win is a state championship is truly special.
56.1	Education	11:00am	6/1/2017	50 Seconds	East Texas Live	It's a tradition across the nation for a graduating senior class pulls a prank on their last day of class. However, Nacogdoches High School says not this year. Students there are no longer allowed to bring backpacks and large purses to school after a prank last week and administrators don't want it to happen again.
56.1	Education	11:00am	6/1/2017	1 Minute and 15 seconds	East Texas Live	Starting today teens and children can ride the Tyler Transit to the library for free, all in an effort to help promote summer learning through reading. The Tyler Public Library wants children to keep their minds working this summer.

## Quarterly Issues and Program List

56.1	Economy	11:00am	6/1/2017	1 Minute and 5 seconds	East Texas Live	The airport in Nacogdoches County recently received a grant. They plan on adding a new game fence to protect airport from unwanted animals improving safety. The grant program allows airports to do a lot of projects, from renovations and improvements to building new structures.
56.1	Public Safety	11:00am	6/1/2017	1 Minute and 10 seconds	East Texas Live	The Salvation Army is holding a fan drive. They tell us a lot of the people that come to them don't have the funds to keep the air on during the summer. That's why they want to offer box fans to them. CEO Todd Green says they will match each new box fan dropped off at their Tyler headquarters.
56.1	Education	6:00pm	6/1/2017	1 Minute	KETK News at 6	The Diboll Family Education Center have a reason to be happy. The Dollar General Literacy Foundation awarded them a \$12,000 grant. The money will allow the center to keep a part-time education assistant, and up-keep of center. The center offers ESL, citizenship preparation and GED classes.
56.1	Economy	6:00pm	6/1/2017	2 Minutes and 45 seconds	KETK News at 6	Central Station held its grand opening in Downtown Gladewater. It's all part of a revitalization project to restore the town to its Gusher Days and add a boost to the local economy.

## Quarterly Issues and Program List

56.1	Education	10:00pm	6/1/2017	1 Minute and 10 seconds	KETK News at 10	Project Search, trains Tyler ISD students with disabilities for the workforce. Today, eight interns graduated from the year-long program. Three will be working at Christus Trinity Mother Frances. The graduation ceremony included a video presentation, remarks, and a celebration of the interns.
56.1	Crime/Law Enforcement	6:00pm	6/1/2017	1 Minute and 10 seconds	KETK News at 10	Officers have released surveillance footage of a burglary in Gilmer at the B&S Hardware Store on West Tyler Street. In the video, you can see the man smash his way into the store through the front door. After stealing a few tools he ran out of the store. The Gilmer Police Department is asking for the public's help identifying the suspect.
56.1	Public Safety	5:00pm	6/2/2017	2 Minutes and 15 seconds	KETK Live at Five	This week marks the start of the 100 deadliest days of summer for teenage drivers. A new report by the AAA Foundation shows the average number of deadly crashes involving teen driver's climbs about 15% between now and Labor Day. AAA says distracted driving plays a role in nearly 60% of those crashes. Now would be a good time to talk to your teenagers about safe driving.

## Quarterly Issues and Program List

56.1	Health	10:00pm	6/2/2017	2 Minutes	KETK News at 10	East Texas is a high risk for ticks. People can take steps to avoid the problem beyond covering up and avoiding tall grass. Infectious disease expert Richard Wallace says the most common tick in our area is the lonestar tick. It can transmit a disease called Ehrlichia. His advice is DEET spray. It is better to keep your family safe and away from the hospital.
56.1	Education	5:00am	6/5/2017	50 Seconds	KETK Today	High School students in East Texas considering a career in aviation don't have to wait until after graduation to begin taking classes. A new Program at Letourneau University, through a dual credit program is allowing high school juniors and seniors take a semesters worth of aviation courses.
56.1	Crime/Law Enforcement	11:00am	6/5/2017	55 Seconds	East Texas Live	We have an update on Saturday's murder-suicide in Smith County. Sheriff's say two bodies were found decomposing in a house near the Oil palace. The bodies of Charles Moore and Gwen D'Arcy were found in Moore's home. Family members say they dropped out of sight for two weeks. Two handguns were found in the house which were used in the couple's death.
56.1	Local Government & Politics	11:00am	6/5/2017	1 Minute and 15 seconds	East Texas Live	Paying for traffic tickets can be a pain to handle, but it just got a little bit easier for people living in South Tyler. Two days a week, people who live in South Tyler can skip the seven mile drive downtown. Instead they can make a short drive in their area to pay their traffic fines.

## Quarterly Issues and Program List

56.1	Health	5:00pm	6/5/2017	1 Minute	KETK Live at Five	Depression amongst teenagers is on the rise and the gender gap is wider than it used to be. According to a new study, one third of girls experience depression by seventeen years old. The study published in the Journal Translational Psychiatry found numbers significantly higher than previous estimates. Researchers found that by the time teens turned 17, more than 13 of boys and more than 35% of girls have been depressed. Health experts say it is important to be aware of these symptoms.
56.1	Local Government & Politics	10:00pm	6/5/2017	1 Minute and 10 seconds	KETK News at 10	The City of Jacksonville has officially been named Tomato-Ville. The Mayor of Jacksonville made the announcement in honor of the Annual Tomato Fest. Tomatoes have long been a large part of Jacksonville's history and community.
56.1	Public Safety	10:00pm	6/5/2017	2 Minutes	KETK News at 10	Hurricane season is here and the Texas Department of Public Safety is preparing for the worst. 30 State agencies are participating in a training exercise to make sure Texas is ready for a major hurricane. The team is also calling on all Texans to make a plan for any disaster.

## Quarterly Issues and Program List

56.1	Education	11:00am	6/6/2017	50 Seconds	East Texas Live	School is out for many districts across East Texas and for Nacogdoches ISD that means it's time for summer meals. Every summer for the past 20 plus years, Nacogdoches student nutrition works through the summer to provide meals for local students. They serve on average, 1400 meals a day. In addition to summer meals, the Nacogdoches Rotary Club will bring their mobile library to Pioneer Park through the summer.
56.1	Local Government & Politics	5:00pm	6/6/2017	2 Minute and 15 seconds	KETK Live at Five	A bill approved by the Texas House and Senate would make voting in elections easier for senior and disabled citizens. The bill would bring voting directly to nursing and assisted living homes. Counties would send election judges to deliver the ballots and they would oversee the voting process.
56.1	Crime/Law Enforcement	6:00pm	6/6/2017	2 Minutes	KETK News at 6	Harold's House serves as a sanctuary for child abuse victims, but recently the charity's playground was vandalized. The staff believes it happened over the weekend. All the equipment damaged was donated. It was an Eagle Scout project purchased and built by members of the community. They are hoping to fix it up and they hope it isn't vandalized again.

## Quarterly Issues and Program List

56.1	Economy	6:00pm	6/6/2017	1 Minute	KETK News at 6	The Gladewater Rodeo Roundup, an East Texas tradition celebrates a big anniversary this year. In keeping with tradition, the Gladewater Rodeo will have all the staples: Bull riding, barrel racing, and something for the kids and not to mention a big boost economically for Upshur County.
56.1	Health	11:00am	6/7/2017	1 Minute and 30 seconds	East Texas Live	Diet and health has always been a topic of concern. Many are trying to find a balanced diet, but some vegetables are being questioned. We spoke with an expert about potatoes. UT Health Northeast says eating potatoes in their original form can be beneficial to your health because they are packed with potassium and other vitamins. Cooking can change the nutritional value, stripping some of the benefits.
56.1	Economy	5:00am	6/8/2017	1 Minute and 20 seconds	KETK Today	We've reported several restaurants closing over the last few months and some are saying the market is over-saturated. Recently, Reggies Burgers closed and posted on social media that they were not established for long enough in the community to withstand the extreme traffic suppression. Gusanos, Smashburger and What About Kabob have also recently closed. According to the North East Texas Health Service, there's more than 500 licenses places to eat in Tyler, but because that number keeps increasing the competition is fierce.

## Quarterly Issues and Program List

56.1	Public Safety	5:00am	6/9/2017	1 Minute and 15 seconds	KETK Today	Police say they see a rise in thefts and burglary in the summer months. A popular tool for thieves to use is social media. By posting you are away on vacation, it's letting criminals know your home is empty. Sgt. Coslin says it is important to think before you post. Homeowners should also be aware of the outside appearance of their home. By keeping the grass cut, and having the post office hold your mail can also help. It's also a great idea to get to know your neighbors so they can keep an eye out on your property.
56.1	Economy	5:00am	6/14/2017	50 Seconds	KETK Today	For quite a while the city of Lufkin's Economic Corporation has been working on something called Project 12 and recently it was approved as a package for city council to vote on. Project 12 will be a new facility for the Deep East Texas Council of Governments. The incentive package of \$735,000 includes three steps: Land that goes with the project, a \$200,000 dollar grant, and a \$300,000 dollar performance incentive grant.
56.1	Local Government & Politics	5:00am	6/14/2017	1 Minute and 20 seconds	KETK Today	Governor Abbott has approved a 17% increase for the child protective services over the next two years. The Governor has signed 4 bills regarding foster care and child protective services.

## Quarterly Issues and Program List

56.1	Public Safety	5:00am	6/14/2017	50 Seconds	KETK Today	Representatives from the Police departments in the state met others from across the country for training on child exploitation. They learned about some of the latest tactics sexual predators are taking and how they are using social media to find children. Police say parents need to monitor their children's use of social media apps.
56.1	Health	5:00am	6/14/2017	1 Minute and 10 Seconds	KETK Today	There is a new OBGYN clinic that is replacing the old facilities at Christus Trinity Mother Frances. The new site is just more than 15,000 sq. ft., has 30 large exam rooms, 13 offices for providers and five separate nursing stations. Now that the new site is a reality, the staff say they can't wait until they clock in for the first time.
56.1	Crime/Law Enforcement	5:00am	6/19/2017	50 Seconds	KETK Today	One person is recovering in the hospital after being shot during a fight with a Smith County Sheriff's Deputy. After the driver was stopped by the deputy for driving on the wrong side of the road, the man reportedly hit the officer, started running away, but turned around and charged the officer and tackled him and tried to wrestle the deputy's gun away. The Deputy was able to break free and shot the man twice. The Texas Rangers are investigating.

## Quarterly Issues and Program List

56.1	Education	5:00am	6/20/2017	1 Minute	KETK Today	The Tyler Public Library has been selected as a Family Place Library. The selection is part of a grant from the Texas State Library and archives commission. The grant seeks to educate children from the ages of one to three. That's when they say their learning capacity is at the highest. This is done by providing a safe place for the children to play with educational toys and games.
56.1	Health	5:00am	6/20/2017	50 Seconds	KETK Today	Another issue homeless East Texans run into during the summer months is how to stay cool. We've already seen heat index in the triple digits. For people who can't find a source of air conditioning to cool down the heat can be really dangerous. Volunteers keep bottles of water in their car and hand them out to anyone who looks like they need to cool off.
56.1	Education	5:00am	6/20/2017	1 Minute and 5 seconds	KETK Today	Even though students and teachers are out for the summer break, volunteers are already collecting supplies for the next school year. The Fourth Annual School is Cool event will be held on August 3 <sup>rd</sup> at Harvey Hall. This year they plan on giving out 1500 backpacks filled with school supplies, and information for the upcoming school year.

## Quarterly Issues and Program List

56.1	Economy	5:00am	6/21/2017	1 Minute and 20 Seconds	KETK Today	Committee members met for the final time in Longview to introduce their plans to improve the city. This includes additions to the downtown area, as well as Interstate-20. The plan is to make downtown more attractive and usable and to redevelop and improve access from Interstate-20 into South Longview.
56.1	Crime	5:00am	6/21/2017	1 Minute and 30 seconds	KETK Today	East Texas saw a startling rise of child deaths last year. The deaths were related to child abuse and neglect, and that is a 75% jump year to year. The majority of these deaths caused by the children's parents. More than half of the fatalities caused by the parent included a parent actively using a substance. Experts say the only way to stop these deaths is through education.
56.1	Local Government & Politics	5:00am	6/27/2017	1 Minute and 15 seconds	KETK Today	Supporters and opponents of our state's ban on sanctuary cities facing off in front of a Federal Judge in San Antonio Monday. Several local officials from across Texas are asking the judge to stop the law from taking effect until legal challenges have been resolved. They are working to prove that the bill violates the constitution.

## Quarterly Issues and Program List

56.1	Public Safety	5:00am	6/27/2017	50 Seconds	KETK Today	A new scam has hit East Texas. Scammers are calling people, claiming to be with the Tyler Police Department. They ask for donations to benefit local officers. Police told us that scammers often pose as police, firefighters and military. Police want to assure the public the calls are not from them, and they urge the public to research the company before pulling your wallet out.
